ORDER WEST R. R. MEN BACK

Pacific Coast Workers Given Until Friday to Return to Jobs.

Washington, Aug. 28.—Saturday morning has been set as the time limit by which all striking railroad employes on the Pacific coast must return to work "or the brotherhoods will support the federal administration in its endeavor to operate trains wherever they have contracts."

ULTIMATUM FROM HEADQUARTERS.

This ultimatum was sent today from the Cleveland headquarters of the four brotherhoods to the strikers and was communicated also to the railroad administration, which is understood to have completed plans for resuming train service if the unauthorized strike denounced as illegal by the international officers of the brotherhoods, is not terminated.

It is understood that union men will be employed in moving trains if the strikers do not return to work.

At Oakland and Sacramento, where brief strikes of yard employes had paralyzed traffic, the men had returned to work and conditions were re-assuming something of a normal aspect.

PASSENGER TRAFFIC EMBARGO.

Embargoes against passenger traffic from eastern points to California continued in effect early today, however, and from several points came word of the organization of automobile stage lines to carry passengers to Los Angeles.

Resumption of work at Oakland, railroad administration officials declared, would permit them to restore the usual trans-continental train service in and out of San Francisco and to move trains southward. Whether the strikes at Bakersfield and Fresno would prevent trains from proceeding into southern California was undetermined early in the day.

Sharp anxiety was felt by those interested in the green fruit industry as a result of the tieup. Fresno bankers declared many such persons would be ruined if transportation facilities remained unavailable for any length of time.

HUGE LOSSES BY YORKSHIRE STRIKE

(Correspondence of Associated Press.)

London, Aug. 11.—The Yorkshire miners' strike has been an expensive bit of business for the union as well as for people not directly connected with the dispute. The generally accepted figures are:

Damage to mines, $10,000,000.

Coal lost to industry, $15,000,000.

Losses to kindred industries, $12,500,000.

The strike fund of the miners amounting to $1,000,000, was exhausted with the payment of the fourth week's strike benefits. This fund, it was stated, had taken some 25 years to accumulate.

FLYERS THOUGHT LOST IN RACE SAFE

Mt. Clemens, Mich., Aug. 28.—Lieutenant H. J. Slater and Sergeant Strickland, believed to have been lost in Lake Ontario or to have been blown out of their course and landed in some out of the way region during their flight from Buffalo to Toronto in the international aerial derby, New York to Toronto and return yesterday, are safe at Selfridge field here, Lieut. Thomas Gill, commandant, announced this morning.

FARM AGENTS ARE OPTIMISTIC

Albany, N. Y., Aug. 28.—Optimism marked the conference here today of agricultural agents from all parts of the United States who discussed the menace to the country's corn crops in the recent invasion of the European corn borer. Charles S. Wilson, state commissioner of agriculture, announced it the consensus of opinion that "diligent effort" would prevent the threatened spread of the pest and ultimately eliminate it.

The conference, which will meet tomorrow in Boston, is attended by officials from Delaware, Florida, Illinois, Iowa, Kansas, Maryland, Mississippi, Michigan, Ohio, South Carolina, Minnesota, Pennsylvania, South Dakota, Texas, Wisconsin and other states.

GLASS SAYS HE'LL WEAR OLD CLOTHES

Richmond, Va., Aug. 28.—Strict economy and saving during the reconstruction period as an effective weapon against the profiteers was urged by Secretary of Treasury Glass in an address before the Virginia Senate.

The secretary said he was putting into practice the suggestion of his predecessor, Mr. McAdoo, who declared "that we should use every effort to win the war, even though we wore patched trousers."

"Mine are not patched," he added, "but they are old enough to be. I expect to wear this suit five years longer, if it will stand it."

WILSON MAPS OUT HIS TRIP

Will Leave Capital Wednesday—First Speech in Columbus, O.

Washington, Aug. 28.—President Wilson will leave Washington next Wednesday on his speech-making tour in the interest of the peace treaty, and will deliver his first address in Columbus, Ohio, next Thursday, probably in the evening.

SKIPS CINCINNATI.

Cincinnati is not included in the itinerary, but Secretary Tumulty announced the president would speak at Indianapolis.

Accompanying the president will be Mrs. Wilson, Admiral Cary T. Grayson, Secretary Tumulty and a corps of secretaries and stenographers.

IN DENVER.

Among other places at which the president will speak will be Denver, Colo., and Coeur D'Alene, Idaho.

THREE CALIFORNIA TALKS.

In California, the home state of Senator Johnson, one of the leading Republican opponents of the peace treaty, the president will make three speeches, at Los Angeles, San Francisco and San Diego.

GOMPERS CONFERS WITH R. R. MEN

Washington, Aug. 28.—Upon his return here today from Europe, Samuel Gompers, president of the American Federation of Labor, went into conference with officials of the fifteen railroad unions to discuss President Wilson's decision that there should be no general increase in railroad employes' wages while the government was conducting its campaign to reduce living costs.

It was expected that a statement would be issued after the conference. Meantime, the union officials declined to discuss what attitude Mr. Gompers had taken with regard to the president's decision.

DEPLORE FIGHT ON Y IN LIMA

Lima, Peru, Wednesday, Aug. 27.—Monsignor Emilio Lisson, archbishop of Lima, today published a communication in all newspapers here warning Catholics not to participate in the movement recently inaugurated in this city for the establishment of a branch of the Y. M. C. A., under the penalty of "laying themselves open to the suspicion of heresy and incurring general ecclesiastical censure."

La Pronza, a prominent newspaper here, declares editorially that Archbishop Lisson has "committed a serious error and has failed to comprehend the constitution and purpose of the institution he attacks."

The Y. M. C. A. has large and prosperous branches in Valparaiso and Buenos Aires, which were established several years ago.

GRAFT SON'S FOOT TO FATHER'S BODY

Chicago, Aug. 28.—Three-year old Michael Rushka is lying in a hospital here today with his foot grafted to his father's body in which an incision has been made. Hospital physicians said that after father and son have lain bound to each other for some days the boy's life will be saved. The little fellow had the flesh of one foot torn away in an accident.

FRIEDERICH HEADS HUNGARIAN CABINET

Paris, Aug. 28.—Stephen Friederich, Hungarian premier under Archduke Joseph's regime, has formed a new cabinet for Hungary in which besides the premiership he assumes the post of minister of the interior, according to a Havas dispatch from Budapest today.

WILL SELL OVER 100 NAVAL VESSELS

Washington, Aug. 28.—More than 100 naval vessels of widely diversified types, including seven old type gunboats, several converted yachts, one monitor, a tug and about ninety standardized submarine chasers of the 110-foot type, will be offered for sale to the highest bidders in the near future, the navy department today announced.

5,000 FIGHTING FOREST FIRES

Missoula, Mont., Aug. 28.—Five thousand men, composing the fire fighting forces of the federal forest service, are waging a battle against hundreds of forest fires sweeping over Montana and northern Idaho with no prospect of controlling the flames further than to save whatever towns may be in their path until rain intervenes.

This estimate was made at forest service headquarters here, where it was said, that despite the refusal of federal troops to aid in the fight against the flames, no shortage of men is feared.

GENERAL BOTHA DIES SUDDENLY

Premier of South Africa Expires Following Attack of Influenza.

Pretoria, Union of South Africa, Aug. 28.—General Louis Botha, Premier and minister of agriculture of the Union of South Africa, died suddenly early today following an attack of influenza.

LONG A LEADER.

Louis Botha was born at Greytown, Natal, in 1863, and was a member of the First Volksraad of Transvaal, in which he represented the district of Vryheid. At the beginning of the Boer war in 1899 he was Veldt-Cornet for that district. Joining the Boer forces in northern Natal he soon rose to high commands. He was in charge of the Boer forces at the battle of Colenso and Spionkop and following the death of Gen. J. P. Joubert, he was made commander-in-chief of the Transvaal Boers. After the fall of Pretoria he reorganized the Boers with a view to prolonged guerilla warfare, his forces offering steady resistance to the British up till late in 1901.

Following the peace negotiations between the Boers and the British, General Botha took a leading role in the period of reconstruction. After the grant of self-government to the Transvaal in 1907 General Botha was called upon to form a government. From this position he resigned in December, 1912, owing to dissension in the cabinet, but was immediately asked to form a new government.

At the outbreak of the great war in 1914 General Botha took command of the Union forces in Southwest Africa, achieving a complete success and compelling the German troops in that region to surrender. With General Jan Christian Smuts, General Botha signed the peace treaty with Germany on behalf of the Union of South Africa June 28, last. He arrived at Capetown from Europe on July 28.

PLAN RAIDS ON LIQUOR DEALERS

Washington, Aug. 28.—Liquor dealers who have been violating the wartime prohibition law secure in the belief that they were safe because department of justice agents were too busy in the high cost of living investigation to give attention to them are due a rude awakening, according to Attorney General Palmer. Recent arrests in New York and other cities, Mr. Palmer said, were only the forerunner of what is to come and those who believe prohibition laws can be evaded will be shown differently.

LODGE EMBLEM SAVED HIS LIFE

Juarez, Mex., Aug. 7.—A lodge pin and grip saved the life of a Chinese merchant of Parral when Francisco Villa's troops captured Parral some months ago, according to a sworn statement made by the merchant to the American consul here upon his arrival from the interior recently.

The Chinese merchant, refused to permit his name to be attached to the statement for fear he would be killed if he fell into Villa's hands. He swore that he saw three of his cousins dragged through the streets of Parral by rebels and burned to the stake.

A demand for $5,000 was made upon threat of death, the merchant said. He told the Villa colonel he did not have this amount and was about to be ordered shot, he said, when he noticed a lodge pin on the lapel of the colonel's coat. The merchant said he belonged to the Chinese organization which was similar to the one which the officer belonged to and they exchanged handshakes. The ransom was reduced to $2,000 and he was finally permitted to go.

"FOUR CENT WILSON" R. R. SHOP SIGN

Moline, Aug. 28.—"Four-cent Wilson!" "We get only four cents!" "The almighty has spoken, hearken unto his words! Only four cents!"

These and similar phases inscribed on machinery in the shops of the Chicago, Rock Island and Pacific railway at Silvis, where 1,500 men are employed, are indicative of the reception given the proposed wage increase of four cents an hour offered railway shopmen throughout the United States by the railroad administration. The local strike vote will be taken at noon Friday.

TO BUY AUSTRIAN AND SERB STEAMERS

[By The Associated Press.]

Vienna, Tuesday, Aug. 26.—It is reported that British and French capitalists are negotiating for the purchase of Austrian, Hungarian and Serbian steamers for the purpose of monopolizing the carrying trade on the Danube river.

JUGO-SLAV OFFICER TO BUDAPEST

Paris, Wednesday, Aug. 27.—The government of Jugo-Slavia has sent one military officer and a diplomatic agent to Budapest to look after the interests of Serbians in Hungary.

PROGRESS IN H. C. L. CAMPAIGN

Washington, Aug. 28.—Belief that definite progress in the government's campaign against the high cost of living is expressed by Attorney General Palmer in announcing last night the department of justice is meeting with success in obtaining from shoe manufacturers promises as to fixing a maximum price on shoes.

With reports to the department indicating that a slight downward trend in prices already has set in, although it not yet sufficient to be reflected in spot purchases on the retail market, Mr. Palmer declared that given a fair chance efforts of the government to squeeze the inflation out of prices soon will show substantial results. Expressing satisfaction with the success so far attained, the attorney general said he believes cumulative results will follow enactment by congress of amendments to the food control law providing criminal penalties for profiteers and boarders.

Efforts of retail merchants to stimulate buying by predicting higher prices next season on clothing and other non-perishable articles were condemned by Mr. Palmer who warned the public not to be stampeded by propaganda into a "buying hysteria." Extensive purchasing now, he said, would make such predictions come true.

NO VIOLATION LAW IN CAVELL CASE

Baltimore, Aug. 28.—Execution by the Germans of Miss Edith Cavell, the English nurse, which aroused the indignation of the allied world, was in accordance with the laws of civilized warfare, according to a minority report of the committee on military law of the American Bar association, made public yesterday. A majority report also was prepared by the committee, which was appointed to investigate courts martial and suggest reforms in military law.

The reference to the case of Miss Cavell was made by S. S. Gregory, of Chicago, chairman of the committee, and was concurred in by Judge William P. Bynum of Greensboro, N. C., the other minority member, in advocating abolition of the death penalty for women convicted of violation of military law.

"A careful consideration of the case of Miss Edith Cavell," said Mr. Gregory, "whose fate has excited the indignation of two continents, has led to the conclusion that she was executed in accordance with the laws and usages of what we are pleased commonly to refer to as civilized warfare.

"This being so, it has seemed to me inconsistent with our condemnation of those who thus took her life, to retain in our own system of military justice those provisions of law which were relied upon by the German military authorities in ordering her execution."

PLAN CREDITS FOR BELGIAN BUYERS

Brussels, July 30.—(By Mail)—Several American and English houses have arranged to give credits for three years to Belgian buyers, who, now that industries are beginning to work again, are in need of a great variety of raw materials and many manufactured articles.

The minister of economics has prepared a report in which are listed the materials wanted. They include materials for lining coal mine shafts, cables and machines used in coal mining, steel and galvanized wire, sulphuric acid, heavy tar oil and special coal for coke to be used in coke ovens; iron ore and tools for blast furnaces and rolling mills, flax for textile industries, sulphate of soda for glass works, hides of a quality not found in Belgium for tanneries; pulp, spruce and Norway pine for paper mills.

26 PASSENGER PLANE AT CHICAGO

Chicago, Aug. 28.—Covering 100 miles in 53 minutes, a twenty-six passenger airplane built in Milwaukee arrived last night on the first leg of a projected trans-continental trip to blaze the way for a cross country air line, Alfred W. Lawson, head of the company, owning the machine, announced. He said the ship left Milwaukee at 6 p. m. and arrived in Chicago at 6:58 o'clock.

The ship measures fifty feet long with a wing spread of 95 feet and carries twin Liberty engines of 400 horse power each. The enclosed cabin, fitted up like a chair car, measures twenty-six feet in length by seven feet wide, with an interior height of seven feet.

It is planned to start for New York in two or three days, Mr. Lawson said, and thence start across the continent for San Francisco.

A pilot and three mechanics accompanied Mr. Lawson on the flight. No passengers were carried.

NO NEW RULERS IN HUNGARY

[By The Associated Press.]

Vienna, Tuesday, Aug. 26.—Advices from Budapest say a new Hungarian government has not been formed, former Premier Friederich claiming that it is the desire of the majority of the people that he retain leadership.

NEW PRICES FOR LOWER GRADE WHEAT

Barnes Announces Prices Effective Sept. 2.

Minneapolis, Aug. 28.—A new scale of prices for the lower grades of wheat for the 1919 crop was announced today by Julius H. Barnes head of the United States Grain corporation and were posted today on the trading floor of the local chamber of commerce to become effective Sept. 2.

The price for numbers 1 and 2 northern remains the same as last year—$2.21½ for number 1 and $2.18½ for No. 2 for this terminal. Other prices follow:

No. 3 northern, $2.16½; No. 4 northern $2.11½ and No. 5 northern $2.07½.

Under the regulations of the grain corporation, all dealers will be required to pay producers not less than the proper country point reflection of the terminal guaranteed price for wheat grading No. 1 and with the relation for the other grades as follow:

No. 2 wheat, 3 cents under number 1; No. 3 wheat, three cents under number 2, number 4 wheat, four cents under number 3, and number 5 wheat, four cents under number 4.

ANOTHER DROP IN HOG PRICES

Chicago, Aug. 28.—Another drop in live hog prices at the Union Stockyards, where the animals fell off $1 to $1.25 a hundred weight today contributed to a weakened grain market, corn sagging an extreme of 2¾ cents a bushel and oats ⅞ cent. Dressed pork tumbled, the September delivery opening at $40.00, an even $2 lower than the last sale yesterday. Lard and ribs also declined on the board.

In explanation of the lowered prices traders said agitation against high cost of living was bearing fruit and that an outlet for large stocks of provisions was wanting. It was declared that eastern storage houses were crowded and that unless a further drop came there would be no outlet for the meat products.

PREDICTS $15 HOGS.

Chicago, Aug. 28.—A fall of hog prices to $15 a hundred weight within three days was forecast by representatives of the big packing company at the stockyards today, when resumption of trading showed the cause of Wednesday's slump still prevalent. Hogs of the canning variety listed at Wednesday's close at $17, a drop of $1.50 in one day, were offered today at $16 with few changing hands. The bulk of sales at the opening of the market was around $17, compared with $23.65 early this month.

The packers remained out of the market and livestock experts predicted the biggest slump since the "Roosevelt panic" in 1907.

7 FINISH ROUND TRIP FLIGHTS

Toronto, Aug. 28.—Seven of thirteen airmen who started at this end of the 1000 mile international aerial derby between Toronto and Mineola had completed their round trips last night.

Six aviators landed, Col. W. G. Barker, the famous Canadian pilot at 9:35 a. m. and Roland Rohlfs, Bert Acosta, Sergeant O. B. Coombs, Lieut. M. Moore and Lieut. C. A. Miller, at intervals during the morning and afternoon. Maj. R. W. Schroeder landed yesterday.

An interesting feature of the flight of Col. Barker who flew with one arm disabled as the result of wounds received in France, developed upon the colonel's arrival here. He said he was forced to retain pressure in his gasoline tank with his one good hand. He accomplished this by steering with his knees, while he worked the pump with his good hand.

NEWS SUMMARY

Washington, — Review of the Pacific fleet will be held at San Francisco Sept. 1, acting Secretary of the Navy Roosevelt announced. This will preclude attendance by President Wilson.

New York—General Pershing will be officially welcomed home by New York City with a great military review Sept. 10, according to plans announced by the mayor's committee on receptions to distinguished guests.

Buffalo—Lieut. H. E. Sinter, pilot, Sergeant Strickland and their airplane in the international derby are missing and it is feared that they came down in Lake Ontario and perished.

Washington—Secretary Baker paid tribute to the American Red Cross when he presented the distinguished service medal to Henry P. Davison, chairman of the Red Cross war council.

Paris — Fire destroyed 200,000 pounds tobacco in a factory at Pantin, near here.

FARRINGTON FIGHTS STRIKE

Head of Miners of State Says Insurgents Play Last Card.

Springfield, Aug. 28.—Frank Farrington, president of the Illinois miners' union, returned here today to direct the fight against insurgent coal miners.

"Leaders of the rebellion played their last card yesterday when they assumed to call a state-wide strike," Farrington said. "The substantial element among the mine workers will pay no attention to the appeal. Fewer miners are striking now than in the first strike when not more than 15,000 men were idle."

AGREE TO REMIT FINES.

President Farrington returned from Chicago, where miners' officials and operators agreed jointly to remit fines in all cases where miners had returned to work on or before Monday, Aug. 25. The penalties were assessed originally in connection with the Mooney protest strike of July 5.

"Machinery of the state organization is being put in motion to root out troublemakers," said Farrington today. "Charters of all locals where strikes are still in effect next Saturday will be revoked, and leaders who persist in fomenting rebellion will be expelled from the union. Authority to take such action has been granted the state body by the international organization."

Operators here said there was no change in the Springfield sub-district situation where about twenty per cent of the miners are at work. The Peoria and Belleville sub-districts also were reported still striking.

Members of the state policy committee of insurgents this morning were busy in the interest of their call for a state-wide cessation of work. They prophesied results within a day or two.

WARNS SENATE ON LEASING BILL

Washington, Aug. 28. — Renewing his attack against monopolistic control of the natural resources of the country, Senator LaFollette, Republican, Wisconsin, warned the senate today against undue haste in passing the pending land leasing bill and charged that the British government was behind one big oil company which was "getting a hold" in America.

Declaring the pending bill radically different from the one reported favorably last session, and to which the navy department was opposed, Senator LaFollette criticized the public lands committee for its failure to give that department and other parties at interest, an opportunity to be heard.

The Wisconsin senator declared that in the past there had been "a constant struggle between the pilfingers, pirates and thieves and the government" over the development of timber and grazing lands in the west and that the same situation had developed over oil lands.

LENINE SENDS OUT PEACE DELEGATION

Copenhagen, Aug. 28.—Nikolai Lenine, the Russian Bolsheviki premier, has sent a delegation to Kishinev to negotiate peace with Roumania, according to a report received from Budapest today.

GET THE BOYS HOME, SAYS SEN. JOHNSON

Washington, Aug. 28. — Senator Johnson, Republican, California, in a statement yesterday urged the immediate return of American troops from abroad and declared the time has arrived when this country should "get out of the whole mess and be just American again."

Asserting that American boys were fighting an "undeclared and undisclosed war in Siberia," that others were to be sent to Silesia, while American troops had been "cruelly treated in Dalmatia," and still others were to remain upon the Rhine for 15 years, Senator Johnson said:

"All of this was ordered in secret, not in the United States but in Paris where we had one vote out of five."

OLE HANSON QUITS JOB OF MAYOR

Seattle, Wash., Aug. 28.—Mayor Ole Hanson announced today that he would resign his office when the city council meets today.

It is understood that ill health and a desire to fill lecture engagements is the cause.

BRITISHERS ARE LEAVING CAUCASUS

[By The Associated Press.]

Paris, Wednesday, Aug. 27.—British troops began leaving the Caucasus region on Aug. 15 and will all be out of districts where they have been protecting Armenians, before Sept. 15, Davis Arnold of Providence, R. I., managing director of the American committee for relief in the near east said.

REVOLUTION IN MONTENEGRO

Fear Renewal of Balkan Turmoil From Latest Revolt.

London, Aug. 28. — Fighting has broken out everywhere in Montenegro and the whole country is in a state of revolution, according to news received here. The Serbians are using strong measures in an attempt to suppress the uprising.

"We seem to be in for a recrudescence of the Balkan trouble," was a statement made to the Associated Press today from an authoritative source.

RAILROAD CUT OFF.

The Montenegrins have cut the railway between Virpazar and Antivari, on the coast.

The Serbians are receiving reinforcements, but are not meeting with success in their efforts to put down the revolutionary movement, according to the advices, which represent the Montenegrin national spirit as thoroughly aroused and the animosity of the people against the Serbians increasing.

TROUBLE LONG STANDING.

The uprising in Montenegro seems likely to bring to a head the long smouldering differences between the Montenegrin supporters of former King Nicholas and the faction adhering to the plan for the incorporation of Montenegro in the Jugo-Slav state.

King Nicholas has never recognized the validity of the act of the Montenegrin assembly last winter in deposing him and has continued to maintain the old royal Montenegrin government with its seat in a suburb of Paris. Serbia is insistent upon the adhesion of Montenegro to Jugo-Slavia and claims that a majority of the Montenegrins favor the union.

The contention of the nationalist party in Montenegro, however, is that the Montenegrin national assembly has been "packed" with pro-Serbians, making the action of that body in voting last April for adhesion to the Jugo-Slav state not truly representative of Montenegrin opinion.

Disorders broke out in Montenegro early in July against what was characterized "Serbian military occupation" and guerilla warfare was reported to be reviving in the mountain regions.

WEST CATTLEMEN DEFEND PACKERS

Colorado Group Attack Bills for Control.

Washington, Aug. 28.—Attacks on the Kenyon and Kendrick bills for regulation of the packing industry were renewed today before the senate agriculture committee. E. M. Ammons, former governor of Colorado, headed a delegation of seventeen cattlemen from that state in opposition to the legislation.

"I'm not opposed to regulation by law," Mr. Ammons said, "but I am opposed to laws which give discretionary powers to officials to make laws.

"If you want to divorce packers from ownership of refrigerator cars—I think you might as well take away their delivery wagons—pass a law and say so. Don't let somebody have power to say whether they ought to own them, and how many they ought to have.

"The same for stockyards.

"Our experience is that when the yards are owned by people interested in the business we get more facilities and more competition than when some one owns them just for investment.

"Nor do I think you ought by license to control market news, for that is not freedom of the press. Make the laws against circulating mis-information more stringent. That will be enough. But make all your regulations in law, so that every man can have a day in court before being penalized."

"Do you think there are any evils in the packing industry we ought to correct?" asked Senator Ransdell, Democrat, Louisiana.

"There may be, but I know of none," the witness responded.

PRODUCING LOWER GRADE GASOLINE

Colorado Springs, Colo., Aug. 28.—Because of a limited supply of petroleum in the United States, refiners have been forced to produce a lower grade of gasoline and automobile manufacturers must readjust their engines to new specifications, Henry L. Doherty told representatives of the American Petroleum Institute at the opening of the convention. Mr. Doherty is chairman of a committee of producers and refiners which is negotiating with the automobile makers to obtain a satisfactory solution to the problem.

The gasoline problem is one which the contemplated bureau of statistics and research to be established by the institute will undertake to settle, William H. Manning, director of the United States bureau of mines, asked the institute for an appropriation of $1,000,000 a year for the proposed bureau.

CARNEGIE LEFT 25 MILLION

Taft and Lloyd George Get $10,000 Annuities — Other Bequests.

New York, Aug. 28.—The will of Andrew Carnegie made public today estimates the value of the iron master's estate at between $25,000,000 and $30,000,000.

BEQUESTS TO WIDOW.

The will leaves the real estate and all the works of art and household goods to Mrs. Carnegie. The financial provision for Mrs. Carnegie and her daughter, Mrs. Miller, was made during Mr. Carnegie's life time.

GAVE AWAY $350,000,000.

A statement issued by Elihu Root, Jr., says that Mr. Carnegie's public gifts and charities during his lifetime exceeded $350,000,000.

LEGACIES TO CHARITIES.

The fourth article of the will contains a series of legacies to charitable institutions, while the fifth article contains annuities to relatives and friends. The Carnegie corporation of New York is the residuary legatee.

$10,000 ANNUITY TO TAFT.

An annuity of $10,000 was bequeathed to former President Taft and annuities of $5,000 each to Mrs. Grover Cleveland (now Mrs. Thomas Preston) and Mrs. Theodore Roosevelt, widows of former presidents.

An annuity of $10,000 is also bequeathed to Premier Lloyd George of England.

Public bequests include Cooper Union, New York $60,000; Pittsburgh university $200,000; Relief fund of the Author's club of New York $200,000; Hampton Institute, Virginia, $300,000; Stevens Institute, Hoboken, N. J., $100,000; St. Andrews' society of New York $100,000.

The will disposes of $960,000 to public and charitable institutions and leaves annuities of approximately $300,000 to friends and relatives.

The clause of the will which concerns his wife and daughter reads:

"Having years ago made provisions for my wife beyond her desires and ample to enable her to provide for our beloved daughter, Margaret; and being unable to judge at present what provision for our daughter will best promote her happiness, I leave to her mother the duty of providing for her as her mother deems best. A mother's love will be the best guide."

FRENCH TO SOON RATIFY TREATY

Paris, Wednesday, Aug. 27.—Ratification within a short time of the peace treaty with Germany, now before the chamber of deputies, seems probable, despite the views of some elements that France is not guaranteed sufficient military protection by the document. The ratification vote, however, will not conclude the debate on the treaty. After the pact has been ratified, "motions of regret" embodying the objections to such clauses of the document as have met with criticism, will be presented, thus re-opening the debate.

After these are disposed of, the chamber will pass to discussion of the Anglo-American-French treaty for the protection of France in case of unwarranted aggression by Germany.

POISONED BY COFFEE IN CAFE

Chicago, Aug. 28. — Arsenic was found today in samples of coffee taken from a downtown lunchroom where thirty persons were poisoned yesterday, according to Health Commissioner Robertson. He expressed the opinion that someone had put poison in the coffee urn with malicious intent.

It is expected that all of those taken ill after eating at the restaurant will recover.

Try These With Peaches

BY BIDDY BYE.

Peach season is in full swing and the most delicious fruit of the orchards is bountiful and low priced on the markets. Peaches and cream—sliced peaches, ¼ cupful of cream and 1 spoonful of sugar—supply 175 calories to the body and so rank as nourishing as well as delicious food.

When the family tires of plain peaches and cream or an especial "company dessert" is required try these peach recipes.

PEACH KISSES

Pare and halve to very large, firm peaches. Make a sirup of 1 pint of sugar to ½ pint of water cooked until it threads from the spoon. Place the peach halves on a wire egg-beater and dip into the hot sirup. Set on a platter covered with waxed paper and chill. Whip the whites of 3 eggs stiff with 2 tablespoonfuls of powdered sugar. Have ready a saucepan of boiling water and drop the meringue into the water by large spoonfuls. Cook two minutes. Remove and place each "kiss" in the center of a peach half. Sprinkle with chopped almonds and serve very cold.

PEACH MOUSSE

To 2 cupfuls of fresh peach pulp allow 2 tablespoonfuls (heaping) of granulated gelatin dissolved in 1-3 cupful of cold water. Strain the gelatin into the pulp and sweeten to taste. Add raspberry or strawberry juice to color pink. Coat the inside of a fancy mold with a brushing of melted gelatin. Fold into the peach pulp 1 pint of whipped cream and the grated rind of 1 lemon. Put the mousse into the mold and pack in ice and salt for 5 hours.

STUFFED PEACHES

Pare and remove the pits from large, ripe peaches. Stew the halves in a sirup until they are tender then drain and fill the centers with orange or other fruit marmalade mixed with chopped almonds. Have ready a bowl half filled with boiled rice, spread with an inch of whipped cream. Serve very cold.

PEACH CREAM SHERBET

To 1 quart of rich milk in the double boiler, adding 1 cupful of sugar. Stir 1 pint of mashed [illegible] and add to it 1 pint of peach pulp sweetened and flavored with almond or vanilla. Freeze, and when half-frozen add the stiffly whipped whites of 2 eggs. Complete freezing.

PEACH CAKE

Mix 2 cupfuls of flour with 1 cupful of sugar, ½ teaspoonful of salt, and [illegible] level teaspoonfuls of baking powder. Work in slowly ¼ cupful of lard, and when mixed add the finely chopped pulp of 2 ripe peaches. Beat 1 egg lightly and add to 1-3 cupful of milk and mix with the dough. Spread the mixture in an oiled cake pan, and press large slices of ripe peaches into the top. Sprinkle with powdered sugar and cinnamon and bake. Serve with whipped cream or a thin custard.

HOUSEHOLD PROBLEMS

Do you meet with household problems which you would like to have answered? If so, you can send those questions to The Review, and they will be answered in this column, which will appear in every Sunday morning's issue of The Review.

Questions of household interest are often asked of The Review, and for the benefit of inquirers and to give other readers the opportunity of having similar questions answered this column will be conducted by The Review in co-operation with the Macon County Home Bureau.

Readers are invited to send in any question which they would like to have answered. All questions received before Friday will be answered the following Sunday. It is preferred that all questions be written out.

Touched With Autumn's Gold

BY BETTY BROWN.

Fashion artists are learning the rich color effects to be had in combinations of brown, gold and ecru—the harmonies possible to combinations of varying tints of the same basic colors. This gown is charmingly fashioned of gold-brown satin, richly veiled in ecru net and gold thread lace, with a girdle of twisted gold tissue. A wreath of golden daisies crowns the brown satin hat.

MISS MARIE GAMMON WEDS IN CHICAGO

Is Bride of Perry A. Quinn of Alabama.

ANNOUNCEMENTS have been received by Decatur friends of the marriage of Miss Marie Elizabeth Gammon of Oak Park, formerly of Decatur, to Perry A. Quinn of Anniston, Ala., which took place Wednesday, Aug. 27, at Oak Park. The couple will be at home at Anniston, Ala., after Sept. 15.

Mrs. Quinn is the only daughter of Rev. and Mrs. R. W. Gammon, who lived in Decatur a number of years while Dr. Gammon was pastor of the Congregational church. She is a talented musician, and for the last few years has been teaching music in the south, first in Alabama and later in Georgia. She gave up that work last Christmas and has since been at her home in Oak Park. It was while she was in Alabama that she met Mr Quinn.

Mr. Quinn is connected with a bank at Anniston. He is a member of one of the old prominent families of the south. During the war he was in the service, being at one of the training camps at the last.

Miss Anna Cruikshank, who has been visiting her uncle and aunt, Mr and Mrs. F. W. Cruikshank this summer, will leave next week for her home in Greenville, S. C.

Miss Cruikshank will attend St Mary's school at Raleigh, N. C., next year. This is an Episcopal school She had planned to go to Ward-Belmont at Nashville, Tenn., but found that all accommodations there had been taken up to 1921.

MRS. F. G. Carpenter made the low score in the play for the Western pin by the women golfers at the Country club Wednesday afternoon. Mrs. Robert Maffit was winner of the golf bag put up by Alex Brown. Quite a number of women were out for the play.

In the bridge play Mrs. O. B. Gorin won the prize.

Mrs. G. W. Scovill and Mrs. Ida Voorhies were the hostesses.

GORDON-VERTREES WEDDING TODAY

THE wedding of Miss Lorena V Gordon of Virden and Raymond Vertrees of Monmouth took place at noon Thursday in the sun parlor of the Leland hotel in Springfield. Rev. William Johnson performed the ceremony. The wedding party included Miss Frances Wright of Girard, sorority sister of the bride and Howard Baldwin of White Hall Miss Pearl Haug of Divernon played the wedding march.

After the ceremony, a wedding dinner was served in a private dining room at the hotel.

The couple will make their home in Monmouth, where Mr. Vertrees is supervisor of manual training in the schools.

The bride is a graduate of the James Millikin university, class of 1919, and is a member of Zeta Tau Alpha sorority. Mr. Vertrees attended the university for three years, and is a member of Sigma Alpha Epsilon fraternity.

Miss Ruth Huffman has returned to her home in Bloomington after a short visit with Mrs. Howard Holmick.

Mr. and Mrs. E. A. Miller, Mrs Edna Radcliff, Marlyn Grace and Bernice Starr, Mr. and Mrs. W. C Bullard and daughter, Ruth, and Miss Helen Ritchey left Thursday morning for Springfield to attend the Bullard family reunion, which is being held today in Washington park in that city. With the Decatur folks went Mr. and Mrs. A. L. Radcliff and daughter of Princeton, Ind. Mrs Radcliff and daughter have been visiting here, and Mr. Radcliff drove over in his car Wednesday to join them. The entire party going from Decatur made the trip in automobiles. They will return home this evening.

A big attendance was expected at the reunion today.

Mrs. G. E. Chamberlain entertained the Victory Luncheon club at luncheon Thursday afternoon.

MISS MAUD M'KINNEY gave a butterfly party Wednesday evening in honor of Miss Pauline Hurd, who is to be married Sept. 11. Miss Hurd was first met with a lot of posters, hung about the room bearing, "Married Seen," "Member Lost," "Bride Found," "Coming Cornet Soloist Turner Nearing," "Wanted Old Shoes"

The dining room was beautifully decorated with butterflies, and yellow and white flowers. Daisies were the table centerpiece, yellow candles and nut baskets were also used. The place cards were very unique, Miss Hurd's being a bride and bridegroom and her plate was surrounded with real four leaf clovers. The other place cards contained verses of poetry which were advice to the bride on her wedding trip. Miss Hurd was told to pull a yellow ribbon which was attached to a butterfly package, surrounded by ferns and upon doing so she found a number of pretty handkerchiefs.

Yellow butterfly ice cream and cake was served.

The Zeta Tau Alpha active and alumnae girls will meet Friday evening at 7.15 o'clock with Miss Veri Freyburger, 1041 North Edward street.

BIG SLIDE AT GASTMAN SCHOOL

Believed by Youngsters That It Is Largest in City.

Enthusiastic members of the E. A. Gastman school are of the opinion that their new slide, erected recently on the school grounds, is the biggest slide in Decatur now One eleven-year old girl took pains to count the steps in the new Gastman slide and found twenty-one, while the only other extra large one she knew of, at Fairview park, has only sixteen.

The top of the slide is as high as the sill of the second story windows of the school house. The slide has four or five bumps.

Since it was finished there has hardly been a minute of daylight when there was not some children sliding down it. Not many children of slide age go by, no matter how urgent the business on which they are, without stopping. As a consequence for the two weeks the slide has been up children from all parts of town have tried it.

75 Year Old Rheumatic Throws Away His Crutches

"I am now 75 years of age, and for a number of years have suffered with rheumatism, eczema and a severe itching. I was compelled to walk on crutches. I obtained no relief until I began to take Number 40 For The Blood. Have taken eight bottles and my rheumatism and the itching eczema is all gone. On Christmas day I laid away my crutches and get around pretty well without them. You have my permission to use this letter to advertise Number 40, as I feel that I have received great benefit and will continue the treatment, believing I will receive more, and I wish to recommend it to other like sufferers to do as I have done and try Number 40 and get relief. With great pleasure I subscribe myself, Yours very truly, Isaac Ludwig, Delphos, Ohio, March 17, 1917." Number 40 is demanded in gouty conditions, mal-nutrition, poisoning, auto-toxication, constipation, chronic rheumatism and catarrh, liver complaint and all diseases arising from impure blood. Made by J. C. Mendenhall, Evansville, Ind., 40 years a druggist.

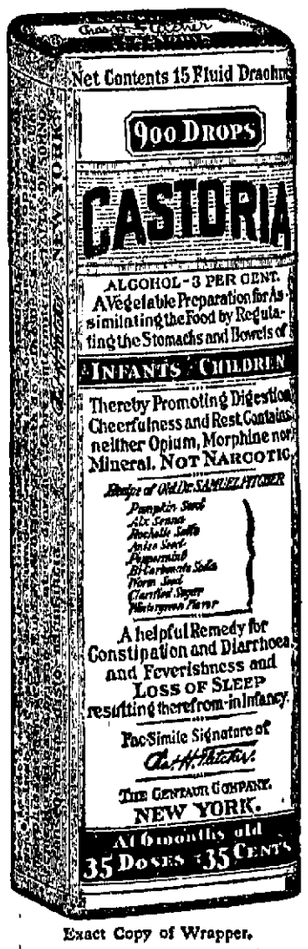
The pumping station will also be located on the C. I. & W. right of way.

The Kind You Have Always Bought.

THIS is the caution applied to the public announcement of Castoria that has been manufactured under the supervision of Chas. H. Fletcher for over 30 years—the genuine Castoria. We respectfully call the attention of fathers and mothers when purchasing Castoria to see that the wrapper bears his signature in black. When the wrapper is removed the same signature appears in red on both sides of the bottle. Parents who have used Castoria for their little ones in the past years need no warning against counterfeits and imitations, but our present duty is to call the attention of the younger generation to the great danger of introducing spurious medicines into their families.

It is to be regretted that there are people who are now engaged in the nefarious business of putting up and selling all sorts of substitutes, or what should more properly be termed counterfeits, for medicinal preparations not only for adults, but worse yet, for children's medicines. It therefore devolves on the mother to scrutinize closely what she gives her child. Adults can do that for themselves but the child has to rely on the mother's watchfulness.



Exact Copy of Wrapper.

Children Cry For Fletcher's CASTORIA

Your Friend, the Physician.

The history of all medicines carries with it the story of battles against popular beliefs: fights against prejudice: even differences of opinion among scientists and men devoting their lives to research work; laboring always for the betterment of mankind. This information is at the hand of all physicians. He is with you at a moments call be the trouble trifling or great. He is your friend, your household counselor. He is the one to whom you can always look for advice even though it might not be a case of sickness. He is not just a doctor. He is a student to his last and final call. His patients are his family and to lose one is little less than losing one of his own flesh and blood.

Believe him when he tells you—as he will—that Fletcher's Castoria has never harmed the littlest babe, and that it is a good thing to keep in the house. He knows.

GOLF PLAYERS TO URGE BETTER LINKS

Meeting Called for Friday Evening.

Golf players who are interested in the development and maintenance of a good municipal golf course in one, or probably two, of the parks of Decatur, are calling a meeting to be held in the parlors of the Eaks club building Friday evening at 8 o'clock.

Springfield players who have been in Decatur recently say that the public golf courses in that city are even better than those at the country club there and they are very enthusiastic over the two courses which the city maintains in such excellent condition

HAVE OPPORTUNITY HERE.

Efforts will be made to have the courses in Decatur brought up to the standard maintained by the Springfield parks If Dreamland Park should be secured with the Illinois Traction System land adjoining it on the north and west it is felt that Decatur's opportunity for a good course in the west section of the park system as well as at Nelson Park would be greatly improved

The number of golf players in Decatur is steadily increasing and with the raising of the courses to a new standard it is believed that the number will be greatly increased.

MANY FOLLOWERS

No other game, say the enthusiasts, gives the same opportunity for out of doors exercise for those who do not have the time or physical stamina to play baseball or tennis, and which also gives equal opportunity for open air sport to women

The meeting Friday night will be open to everybody who is interested, women as well as men, and the promoters of it are very anxious to have as many as possible present

STONINGTON WILL PLAY TAYLORVILLE

Have Games Scheduled For Sunday and Monday

Taylorville ball fans will have plenty of baseball next Sunday and Monday, when the Stonington aggregation comes there to play the Obermans in the last two games of a five-game series The games are expected to draw large crowds The Obermans won the first two games of the series each by a score of 5 to 1 and Stonington took the third game, 3 to 2 ten innings.

Finish Card Today.

HARD MATCHES IN WOMEN'S TOURNEY

Detroit, Mich, Aug 28.—Several hard fought matches were in prospect today between contenders for places in the semi-finals of the women's western golf association tournament. Mrs. David Gaut, runner-up in the southern championship this summer, was paired with Miss Dorothy Higbee, who yesterday surprised many followers of the game by her easy victory over Miss Frances Hadfield, who had ruled a favorite for the title

Much interest was also displayed in the match between Mrs. H. Arnold Jackson and Mrs. P. Foreman, both of Chicago, Mrs Jackson has been considered a probable finalist throughout the tournament because of her finished game and experience in past championships, she having twice held the national title

Miss Marjorie Edwards was paired with Mrs P. Fisk for the third round and Mrs. F. C. Lewis Jr., was to meet Mrs W. G. McGiverin, Michigan's only remaining representative

POWERS BREAKS 1335 OUT OF 1400 TARGETS

Is Listed Among First Fifty Amateur Trap Shooters of the Country.

But 24 points separates the first and last of the fifty leading amateur trap shooters of the United States and C. M. Powers, of Decatur is among the fifty, being thirty-fourth from the top with an average of .9535 so far this season, according to figures compiled by Peter P. Carney, editor of the National Sports Syndicate. Mr. Powers' average is just 23½ points below the leader, Frank M. Troeh of Vancouver, Washington, who has a mark of .9760.

The figures show that Troeh has shot at 1,350 targets and broke 4,346, while Mr. Powers has shot at 1,400 targets and broke 1,335, or in other words has missed only 65 targets in 1,400

OLYMPIC TEAM.

Mr. Carney says: "Possible membership on the trapshooting team that will represent the United States in the Olympic games in Antwerp, Belgium next summer is spurring the amateur scattergun artists to better shooting than the history of the sport ever has known.

"In the averages just announced from reports received on 1,250 or more targets the first fifty shooters have an average of about 95 per cent or better, with 17 of them 98 per cent or better and five over 97 per cent. Avowed candidates for the team are Jim Scavey of Portland, Ore., and Sam Sharman of Salt Lake City, Utah, and they are in the first ten Frank Troeh of Vancouver, Wash., is in his usual place, at the top, with an average of 9760. Not only has Troeh the best average, but he has shot at the greatest number of targets He has only missed 104 targets in 4350."

PANA TO HAVE FOOTBALL TEAM

Many Good Players in Prospect for Independents.

Pana, Aug. 28.—The foot ball meeting held Tuesday night at Freihs' law office was attended by a large number of fans and foot ball material of Pana and vicinity.

From all indications Pana will be represented among the best Independent teams of Illinois, having as prospective material for this years' team William Steinbush, who played with the A. E. F. in Germany, with the army of Occupation, playing in the back field; Lemon Galbreath, now employed at the American Greenhouse, who was a member of the Freshman Varsity Team of the U of I., last season; L. Craddick, who played with Illinois College last season, George Rogers, who is known in the Foot Ball World for his famous toe and once a member of Pana Township High School's team, and many others who are expected to make a wonderful showing upon the gridiron this fall

The material, as a whole, will average approximately 185 pounds and practice will begin Thursday evening at Smith's Park for all who wish to try out for this year's team.

TENNIS STARS IN MATCH TODAY

Forest Hills, N. Y., Aug. 28.—Willis E Davis of California, who defeated Norman E Brookes of Australia at Southampton, last week and R Norris Williams II, of Boston, twice national champion, were opponents in the third round today of the national lawn tennis championship tournament on the West Side courts here. Williams showed top form in eliminating Vincent Richards yesterday.

Two other matches selected from the sixteen, up for decision today, to be played on the grandstand courts brought together Maurice E McLoughlin of California and Leonard Beekman of New York, and Gerald L Patterson of Australia world's titleholder and Watson M Washburn, of New York.

THE now-a-day world judges tires from a business standpoint.

For after all, buying tires is merely buying miles at so much a mile.

That's exactly the basis on which we sell 'Royal Cords'.

These famous good tires are built of many layers of small but exceedingly tough cords.

Each layer and each individual cord is impregnated with live, springy rubber.

The result is a lively tire. One that takes the bumps with greatest ease. One that wears many and many a mile beyond any rational expectation.

Let us put 'Royal Cords' under your car. You'll find them one of the wisest investments you ever made.

United States Tires are Good Tires

About Town

THE high cost of furnace repairs now seems to be the main topic in several households.

"I sent for some pieces to be replaced and I figured they would come to about $34" said one man. "The furnace man called me by telephone and said he would send the bill by mail. He did not give me the figures over the telephone. When the bill came it was $78."

"TALK about profit," said a retail merchant. "I would like to know how you figure profit on a case of lamp chimneys like I have in my store. We were planning a sale of wash tubs and the man who was getting the tubs ready in the basement dropped a bundle of them into an open crate of lamp chimneys. I haven't gotten down to the bottom of the crate to see if there are any whole ones left or not."

ONE Decatur man who takes a daily walk of about seven blocks has counted twenty-one different kinds of trees that may be seen from the sidewalk, as follows:

Maple, elm, locust, poplar, catalpa, ailanthus or tree of heaven, mulberry, pine, larch, birch, magnolia, peach, pear, plum, cherry, apple, linden, ash, walnut, Oriental plane, horse chestnut.

Ten Years Ago Today In Decatur

AUGUST 28, 1909.

All buildings in the burned business district were condemned by the fire commissioners

Prof. Harold C. Cole of Boston accepted the chair of organ and piano playing at Millikin

Alex Van Prang, representative of the Eagle Roller Mill Co., of New Ulm, Minn., moved his family to Decatur and took up residence at 919 West Decatur. He formerly lived at Owaronna, Minn

The J. S Carter property in the fire district was sold three time in one day. A. G. Webber first buying it and selling it to H. Post at $500 profit Mr. Post then sold it to John Spotts at $3000 profit.

TWENTY YEARS AGO TODAY.

City Engineer Loring and Alderman Snilling, chairman of the public improvements committee, went to St Louis to inspect a sidewalk grade.

Jacob Daut died in the state hospital at Jacksonville.

T. A. Bone was able to be about again. He had run a nail in his foot

Sister Alphonsa (Miss Mamie Leahy) was the guest of her mother, Mrs. Mary Leahy.

Sol Smith Russell sent a large picture of himself to Manager Given. It was hung in the Powers theater lobby.

NOT TO USE ROOMS IN KAEUPER HALL

Millikin Board Decides Against Making Changes.

The office force in the university office at Millikin was busy Wednesday notifying the girls who had written that they would accept rooms in the newly created dormitory to be prepared on the third floor of the conservatory building, that the board of managers had changed its mind regarding this matter and that there would therefore be no annex or enlargement of dormitory facilities at the school at this time.

This is very much regretted as there are a number of girls who will not be able to come from a distance under the present conditions. Aston Hill is filled and with no other dormitory available the young women will be compelled to look for rooms somewhere in the city about the university.

Many mothers and fathers, however, will not send their girls away from home to school unless they can be directly under college supervision and a number of deposits will be refunded which have been sent with reservations for rooms in the conservatory dormitory.

NO INDICATIONS ON STRIKE VOTE

Some Officials See Long Drawn Out Fight Ahead.

"What do you know about the strike?" is the question that you now hear about the railroads. No body knows any thing about it and railroad officials less than any one else. Railroad men know how they are voting but they are not saying any thing about that. It is certain that some of them are voting against it and it is equally certain that some are voting for it. There is nothing on which to hang an intelligent guess as to the probable outcome.

What railroad officials are wondering is if the big fight is now really coming, the fight that has been several times threatened and as often postponed. Among railroad officials there seems to be a good deal of fatalism, of what-is-to-be-will-be. "It may as well come now as any time," one minor official was heard to remark, and this is believed to be pretty much the feeling of officials high and low.

PETER
Visits the Rich

BY THE STORY LADY.

Mr. Ramsey, who was rich, and sick, and old, lay in his invalid chair on his veranda and tried to decide whether to leave his money to a rich nephew, who didn't deserve it or to an orphan asylum. He got tired of thinking of that and tried to remember what the little boy had looked like that had broken through his hedge and come in to ask him how to make some money. One thing he was sure of, he had red hair and freckles. To his great surprise that same red head appeared through that same hole.

"Did you ask me to come back?" asked Red-Head.

Mr. Ramsey nodded his head.

"I was in such a hurry that I wasn't sure. Will you ask your hired man to open the gate for me? I begged Mama to let me bring some of the custard that she made for us kid's supper. I'll prob'ly spill it if I come through this hole."

"Will I have to eat the custard?" thought Old Man Ramsey. But when he saw it in Peter's yellow bowl under a snowy napkin he changed his mind and ate every bite.

"The best thing I ever ate," he said as he leaned back in his chair.

"Shucks," said Peter, walking around the veranda on the railing, "you ought to eat some of Mama's pork 'n beans."

Then he settled down in a big chair and told Mr. Ramsey about Palmer Park and the ghost they thought they saw and about the new car that Uncle Peter gave Mama.

"Of course Dad likes it but I bet he'd of liked it better if he could have given it to mama himself."

"The hired man" came out to get Mr. Ramsey but the rich man waved him away. However, Peter took the hint.

"Good bye," he said. "I've got to go But I'll come again. I told Mama this morning that I liked you even if you were rich."

WOODEN BRIDGE OVER SAND CREEK

Will Temporarily Replace Structure Damaged by Flood.

A wooden bridge will be constructed over Sand Creek, three miles southeast of Decatur, to temporarily replace the bridge damaged by the flood last June. That decision was reached by Supervisor Victor Peterson and Highway Commissioner Frank Sprague of South Wheatland township and County Superintendent of Highways Preston T. Hicks after a visit to the site. The present bridge lost one of its abutments when the water cut under it, and that end of the bridge settled down about two feet. This bridge has a concrete floor but the floor was not even cracked. It is believed that the bridge can be raised up and a new abutment put under it, but the cost would be about $1,000 and as the money is not in sight a temporary wooden bridge will be put over the creek.

In Friends Creek township, north of Argenta, is another bridge damaged in much the same manner, but not to so great an extent. Superintendent Hicks, Supervisor J. H. Armstrong and Highway Commissioner F. Heinle visited that bridge Wednesday and found that it will be necessary to build a new abutment. That will cost about $800.

USED LIMESTONE NEAR FINDLAY

Findlay, Aug. 28. — An interesting demonstration of the effect of ground limestone on clover, can be seen at the C. C. Snapp farm, three miles northwest of Findlay. Six years ago this fall Mr. Snapp applied two tons of limestone per acre to his southwest twenty previous to seeding the field to wheat. A one acre check strip was left untreated running east and west about 25 rods from the road Since then the crops grown have been wheat clover, corn, and oats.

Clover was seeded in the oats last spring and an unusually heavy stand secured everywhere except on the check strip and along the west side where the clover is thinner on the ground and of much shorter growth

The west side of the field was in pasture for a long time several years ago, which undoubtedly left the soil from the accumulation of organic acids. The check strip running east and west across the field shows up quite plainly from the main road, notwithstanding the fact that the application of limestone to the ground on either side was made six years ago.

It is evident that a heavier application should have been made on the old pasture land or the treatment repeated on this area last spring before seeding the clover.

MAKING PROGRESS ON JUNIOR HIGH

Pouring Concrete and Brick Work Going Up.

The concrete mixer belonging to the school district was started Wednesday morning pouring the foundation for the wings of the Junior high school. The board will also put in the concrete floors for the air ducts and do all other work below the level of the basement floor of the building.

Good progress is being made with the brick work on the main building and enough headway has been made to give some idea of the appearance of the building.

STEADY TRADE IN GOVERNMENT FOOD

Total at Post Office Now $1,500 With Corn as Leader.

Orders for government army food by parcel post are still coming in to the local postoffice every day. They do not come in a rush but just in a steady trade. Up till Wednesday, sales here, had amounted to about $1,500 which would have been much heavier had it not been that most people are waiting until the city's supply gets here and is put on sale.

"Corn Beef Willy" doesn't seem to appeal to most housekeepers and probably in most homes, a returned veteran of the Khaki is giving mother a 'hunch' to leave this product alone. Canned corn is the leader in those sales with canned peas second and stringless canned beans, third.

SALVATION ARMY MAN TO SPEAK

Col. Davis to Address Decatur Elks Sept. 2.

Col. Davis of the Salvation Army, a man with overseas experience, will address the Elks at their regular lodge meeting, Tuesday evening, Sept. 2, on "The Salvation Army Home Service Drive."

Col. Davis will address the Ladies' Auxiliary, also the women of the city of Decatur, Tuesday afternoon, Sept. 2, at 2:30 o'clock in the club rooms.

CALL THE DOCTOR; ICE CREAM SODA GETS H. C. L. GERM

Hurrah for the old oaken bucket and the unsanitary, typhoid-germ laden well. Soda fountains are gradually forcing it to become popular. Also a few more thrift stamps may be purchased with dimes, nickels and pennies accumulated from passing up a few drinks. A further rise in prices in some of the places is scheduled and an effort is to be made to make all sodas fifteen cents.

One of the leading and well patronized confectioners reported that on or about Sept. 1, many of the places were going to make sodas 15 cents. Another down town confectioner said he had not heard of this plan at all and was still selling for a dime plus one cent war tax. Another said he had not heard of the move but most fountains were raising prices, in fact crushed fruit sodas had gone to fifteen cents some months ago in most stores and he himself, had recently raised to that price. Still another dealer said he had raised at the first of the summer season to 15 cents on all sodas, this to include the war tax, which would make him 13 cents for the soda.

"No we haven't had any meetings nor we haven't signed up any petition to raise the price" said one dealer "because that would be against the law. We just sort of have a gentlemen's agreement to raise the price, whenever we do raise."

ALLENVILLE.

An ice cream social and chicken fry will be given on the Christian church lawn Saturday night.

Mrs. Martha Moore returned home Friday from a visit with Mrs. Oss Wright of near Windsor.

Miss Cora Sutton of near Sullivan spent Tuesday with Miss Emma Standerfer.

Miss Ruby Esterline of near Bruce visited her aunt Mrs. Ida Stewart the first of the week.

A revival meeting is in progress at the Smyser church south of here.

Just Folks

WITH THE YOUNGSTERS.

I don't know how to say it, but if such a thing can be,
I'd always like to have a pack of youngsters trailing me;
I'd like to take them roaming through the woods and by the streams,
And spend my life in painting little people's fairy dreams,
For a man is never selfish, never tempted much to wrong
No matter where he travels when he's got a child along.

I dread the time that's coming when our babes will all be grown,
And the boyhood and the girlhood from beneath our roof has flown.
What will take the place of laughter that is ours to hear today?
Who will come to this old codger with the glad request to play?
When there are no glad surprises for the eyes of youth to view
And no children needing counsel, what, I wonder, shall I do?

I like to be with youngsters, like to have them in a band,
And explain in language simple things that they don't understand.
There's more joy in childish laughter and in little people's speech
Than in all the worldly wisdom which the gray-beards have to teach.
So I've come to this conclusion that if such a thing can be
I always want to have a pack of youngsters trailing me.

SHRUBS BLOOMING UNUSUALLY WELL

Althea or Rose of Sharon One That is Full of Blossoms.

Althea, or Rose of Sharon, shrubs are blooming unusually well this fall. Not in many years have these shrubs in Decatur been as full of blossoms. This, however, is characteristic of all flowering shrubs this season as it was noticed in the early days of spring that flowering shrubs were blooming unusually well and it has been so with all varieties all season.

Naturally in a season marked by such free flowering all those shrubs that make seeds have an unusually large number of fruits. High bush cranberries, some varities of privet, Wandering Jew, Japanese barberry, all are setting one of the biggest crops of fruits and seeds that has been seen in many years, so that these shrubs, the handsomest we have in summer, will also be ornamental and interesting all winter.

41ST ILLINOIS FOUGHT IN MANY HARD BATTLES

Organized in Decatur in July, 1861, and Led Away by Colonel Isaac C. Pugh.

Members of the 41st Illinois Volunteer Infantry, organized in Decatur at the fair grounds in July and August 1861, are holding a reunion in Decatur today. Colonel E. T. Lee, of Minneapolis is here to attend the reunion.

The 41st holds a prominent place in Decatur history. Isaac C. Pugh was commissioned colonel; Ansel Tupper, lieutenant colonel, and John Warner of Clinton, major. There was during the war 1211 men on the regiment's muster rolls.

COMPANIES IN REGIMENT.

The various companies were recruited from Central Illinois and were located as follows: Company A and E from Macon county; Co. B., Moultrie county; Co. C, F, and K, DeWitt county; Co. D Coles county; Co. G and I from Christian county and Co. H from Shelby county. The regiment was mustered into the United States service August 5, 1861 and left on Aug. 8 for St. Louis on Aug. 9, one day previous to the battle of Wilson's Creek and Springfield, Mo., where Gen. Lyon fell.

The regiment did guard duty in St. Louis until Aug. 29 and then went by steamer to Bird's Point, Mo., opposite Cairo, Ill., where it was under the command of Gen Ben Prentice. On Sept. 8 they took possession of Paducah, Ky.

FIRST BIG BATTLE.

In Feb. 1862 the regiment with the army under Gen. Grant went to Fort Henry. In the first heavy battle in Fort Donelson, the regiment lost 200 killed and wounded. In March the regiment moved by steamer to Pittsburgh Landing. Here the regiment also fought a great battle. The regiment also took part in the seige of Corinth, where Gen Oglesby was wounded, later marching to Memphis and then into Mississippi.

While at Memphis the 41 in competitive drill was declared the best drilled regiment in the Fourth division. Many of Macon county's famous soldiers were in this regiment.

The regiment was in the seige of Vicksburg.

PRESENTED FLAG.

Col. Lee writing of the flag presented by the women of Decatur says:

"It was a beautiful Sunday morning in August, 1861, when the 41st Illinois Infantry camped at the old fair grounds west of the city of Decatur, Illinois. The patriotic ladies of Decatur decided to present the regiment with a silk flag made by their own hands. It was our last Sunday in camp at home as the regiment had received orders to go to the front.

"Col. Isaac C. Prugh had a stand erected for the ceremonies. There was a choir of singers with an organ that furnished the music. The exercises were opened by singing America in which the entire regiment joined. At the close of the song the ladies presented the flag. Col. Pugh received it and thanked them for this beautiful silk flag. He called on every member of the regiment to raise their right hand and pledge the ladies that they would stand by the flag and bring it home or die in its defence.

KEPT PLEDGE.

"Little did we think what it would cost us to keep that pledge, but it was sacredly kept. On the battlefields of Fort Donaldson, Shiloh, Corinth and in other battles, it waved in triumph over the regiment, while some 250 boys fell beneath its folds either killed or wounded. At Shiloh, among the number who fell was Lieutenant Col. Ansel B. Tupper of Decatur. Col Pugh had been called to the command of the regiment. They had been fighting since 10 a. m., it was now 2:30 p. m. Their ammunition was exhausted. General Steven A. Hurlbut, the commander of the division, had ordered Col. Tupper three times to take the regiment to the rear and supply it with ammunition. He said "We will use the cold steel before we will give back; we will die right here rather than fall back."

"Just then a rebel sharpshooter shot him in the temple. He fell from his horse and was caught by James Coleman, assistant surgeon. He died in a short time.

FLAG SAVED.

"The flag was saved and went through the seige of Corinth, the battle of Hatchie river. When the regiment reached Memphis, Tenn., in March 1862, after the regiment had beaten the 14th Illinois Infantry in a prize drill, it was decided to send the bullet riddled flag back to the widow of Col Tupper, who gave his life for the flag at Shiloh. When the regiment returned on furlough after re-enlisting for three more years or the end of the war, as we neared the depot at Decatur, the first sight that greeted us was the old flag and a delegation of those same patriotic ladies. Cheer after cheer was given for the old flag and the ladies. It was placed at the head of the delegation and we were marched to the old Revell hotel where they had prepared a feast for us. We had drawn a new flag, but, the old flag was the guest of honor at the banquet."

A. OF C. PARTY TO EAT IN ATLANTA

Methodist Ladies Aid to Serve Dinner Next Thursday.

The Ladies' Aid society of the Methodist church at Atlanta will serve the dinner which the members of the Association of Commerce will need on the tour which takes place Sept. 4.

The tour, which will be by way of Lincoln, Bloomington, and Clinton, is exciting more [illegible] among members than any which has yet been taken and a large number are expected to make the trip.

Many acceptances have already been sent in response to the letter recently mailed about the tour.

MADISON PIG CLUB HOLDS GOOD SALE

Everett Brown Wins First Prize of $8.

The Madison Pig Club held its meeting for the awards of prizes and sale of hogs raised by the boys of the club on the lawn of Madison church Wednesday afternoon, and the sales indicated that the boys had made profitable ventures in the hog business.

Prizes had been offered to the boys for the best results of the feeding which they had carried on with their stock as well as for the animals themselves. The type of hog, the gain in weight, cost of production and the care with which the cost accounting had been kept all were factors in the prize awards.

EVERETT BROWN WINS.

Everett Brown won the first prize of eight dollars. His hog weighed 200 pounds, showing a gain of 149 pounds. The hog sold for $56 and was bid in by the owner.

The second prize four dollars went to Edgar Moffett, whose animal weighed 176 pounds showing a gain of 121 pounds. Clayton Overmeyer bought this hog, which is entitled to registry, for $55.

Gilbert Nolan's hog weighed 149¾ pounds, showing a gain of 104 pounds, and was bought by J. Phillips.

The animal raised by William Moffett was awarded fourth place but there was no prize offered for that winner.

MADE $14 PROFIT.

The Poland China hog entered by Edgar Moffett sold for $66 to Charles Nolan but won no prize under the rules of the contest. Edgar made $44 profit on this animal.

The hog entered by Keith Smith showed the largest gain of any entered, 126 pounds, but it did not qualify in some other respects for the prize money.

The money for the prizes had been raised by social affairs at the church, and the awarding of prizes and the sale were attended by quite a number of bidders and visitors.

HEAT CONTEST UP IN TAYLORVILLE

Taylorville, Aug. 28.—Another battle between the C. I. P. S. Co. and consumers of steam heat from its central plant is impending, following a conference Tuesday night between a representative of the company from Springfield, and the local heat committee, when the former served an ultimatum that nothing but the meter rate would satisfy the company from now on. The members of the committee in turn notified the company's representative that they expected heat, would have it, and would not comply with the demand for the meter rate.

Figures submitted by the company showed that it lost money last year, when it furnished heat on the old flat rate, plus 60 per cent, unless the meter reading showed below that amount, then the consumer benefitted. The company's figures showed the actual operating expense to be about $28,000, the main item being over $17,000 worth of coal. The receipts of the company, according to the company's figures, from heat, amounted to less than $13,000.

The C. I. P. S. company's representative said the company was losing money on its heat plants everywhere, and was now trying to get them on a paying basis. The committee suggested that in Taylorville the company had made itself a "white elephant" when it separated the electric plant from the heating plant and now purposed that the public here should feed it.

ROOSEVELT COMING.

Residents of this city will have an opportunity of meeting Col. Theodore Roosevelt probably on Friday afternoon. The announcement was made by Col. George Seaman this morning. The time of the reception will be announced tomorrow after Col. Seaman confers with the Roosevelt party in Indianapolis.

Following the reception Col. Seaman will take the guests over to Springfield from where they will leave for Chicago, where Roosevelt will speak.

The reception will be decidedly informal and there will be no set speeches by anyone.

DEEDS RECORDED.

H. K. Bundy to C. M. Lyon, n½ lot 13 block 1, May Bros & Traver's subdivision,—$1,00.

R. R. Rule to E. R. Waggoner, part of lot 5, block 3, North addition—$1.

Thomas Herrod to T. B. Moore, e½ lot 5, block 5, Niantic—$800.

Minnie I. Hostetler to H. H. Harvey, lot 7, block 1, LeForgee and Patterson's addition—$100.

J. P. Schimanski to E. A. Schepper, lot 2, block 15, Carver's addition—$4,000.

Friday Program
Woodbine Chautauqua

3:00 P. M.—Madame Edna Swanson Ver Haar and her Company.
7:30 P. M.—Earnest E. St. John, Lecture
8:30 P. M.—The Ver-Haar Grand Concert Company.

THE VER-HAAR GRAND CONCERT COMPANY

Madame Edna Swanson Ver-Haar and her unrivalled company in a big and splendid musical program, Friday, August 29, at 3 p. m. and 8:30 p. m., will be one of the big musical numbers on the program this year. Each member of the company is a soloist of Madame Ver-Haar's fame, and their quartette productions are especially fine.

RUSSIA AND BOLSHEVISM

As the individual man cannot be well if one of his organs is diseased, so the world's commerce and social life cannot be normal when there is a great industrial upheaval in one of her principal countries. We are unusually fortunate in having on our program, Friday, August 29, at 7:30 P. M., Mr. Earnest E. St. John, who went to Russia as a Y. M. C. A. Secretary during the war. He had the privilege of living in a wealthy home and getting their viewpoint, and also of living with the peasants and seeing their side of the story. He went through the Russian Revolution and its following reign of Bolshevism. His personal story is thrilling. This is a wonderful opportunity to get first-hand and authentic information on one of the biggest problems of the day.

Schlitz

FAMO

Is Stimulating and Refreshing

Largely by reason of the manner in which carbonic acid gas is combined and liberated.

In sodas and charged waters carbonic acid gas is impregnated under a very high pressure, and escapes before the drink is taken into the system.

In Schlitz Famo carbonic acid is combined with extractive substances, and from these substances it is gradually liberated in the stomach — thereby utilizing all the beneficial properties and precluding any tendency to flatulence.

Schlitz Famo is a *worth-while* cereal beverage, non-intoxicating, healthful and satisfying. Good and good for you.

HOMES FOR SALE

To those renting or desiring homes on this farm, for independence, and no more packing goods for a move every time March rolls around, I have a few good farms that I can sell worth the money, Ranging in size from 35 to 410 acres. These are all located in a farming and dairy country, near town, school houses and church, and the 410 acre one with some the would be as good a farm as some near the northern towns selling for three times the money. Has two farm houses with out-buildings. In less than ¾ mile of school and church. All cleared ready for the plow, and good prairie land. If you want a farm of any size, write the undersigned and if you mean business will pay expenses to see these. 222½ acres, all in cultivation except possibly 2 acres; gently rolling; wheat this year made more than 20 bushels, clover fine where wheat was; 80 acres meadow, corn looks good, considering the season. Two car loads of concrete posts in on the place, corner posts weigh 800 lbs., braces out of concrete; house 30 feet square with cellar beneath; good well; barn, 40 by 60 feet; 14 acres in pasture, 1½ mile creamery; good roads, level, fine land. This is claimed to be the best farm in the county, considering the improvements, this can be bought for $120 per acre by paying $50 down on the acre, balance in 3 or 5 equal annual payments; 6 per cent interest. No better farm in Illinois; considering the price. Owner lives in another county and can far away to see after it. Buildings new.

NOTICE FOR BID.

Sealed bids will be received by the Board of Local Improvements of the City of Decatur, Illinois, at their office in the Council Room in the Court House in said City, from this date until the 9th day of September, A. D. 1919, at two o'clock P. M., for the construction of the improvement of the roadway of Cushing Street from the west line of North Monroe Street, west to the east line of Maple Avenue in the City of Decatur, Illinois, for the full width of twenty-five (25) feet between curbs, and including that portion of said Cushing Street from the curb line to the lot line thereof for the full width of thirteen (13) feet between curbs of the intersecting alley, by excavating, grading and preparing sub-grade, by placing thereon a Portland cement concrete foundation five (5) inches in thickness, consisting of one (1) part Portland cement, three (3) parts of clean, sharp, coarse sand, and five (5) parts of clean, washed stone or gravel, together with sufficient water to produce a mixture of such consistency that when struck off with a template it will hold its shape; a one (1) inch mortar cushion of clean, sharp, coarse sand, and Portland cement mixed in the proportion of one (1) part Portland cement and four (4) parts of said sand, spread on the concrete foundation and sprinkled with water; also a wearing surface of vitrified block brick, not less than three and one-half (3½) inches by three and three-fourths (3¾) inches, by eight and one-half (8½) inches, with a pitch mastic joint filler, consisting of equal parts of pitch and clean, sharp, sand, thoroughly mixed, and a top dressing of one-fourth (¼) inch of sand, the necessary concrete curbing, the necessary manholes, catch basins and tile drains for the adequate drainage thereof, removing the present six (6) inch by twelve (12) inch concrete curbing, and the grading of all parkings all complete in place.

Said improvement to be constructed in accordance with the plan, profile and specifications prepared by the President and Engineers of this Board, and ordinance providing for said improvement, which are now on file in the office of the City Clerk of said City. Said improvement to be bid upon as a whole.

The Contractor shall furnish bond for the full amount of the contract price, for said improvement, based upon the approximate estimate; to the City of Decatur, conditioned that said improvement will be constructed strictly in accordance with the said plan, plat, profile, specifications and ordinance for same and contract hereafter to be entered into; that said improvement shall remain and be in good repair for and during the full period and at the end of five years from the time said improvement is accepted by said City.

All bids for said improvement will be publicly opened by said Board on the 9th day of September, A. D. 1919, at two o'clock P. M., at the office of the Board of Local Improvements in the Council Room in the Court House in said City, and the right is hereby expressly reserved to reject any and all bids. Proposals must be made on blanks furnished by said Board and in compliance with the instructions thereto attached, which can be had on application to the City Clerk, and must be accompanied by cash or a check payable to the order of the President of said Board of Local Improvements in his official capacity, certified to by a responsible bank in the City of Decatur, Illinois, for an amount not less than ten (10%) per cent of the aggregate of the proposal in accordance with the ordinance for said improvement. Work on the construction of said improvement shall commence on the date fixed in a notice given by the Board of Local Improvements to that effect, and shall be completed within sixty days thereafter.

The Contractor to whom shall be awarded the contract for making said improvement shall, upon completion and acceptance of said improvement and confirmation of such acceptance as provided by law, receive in cash that portion of the cost of said improvement to be paid by said City; the balance of the cost of said improvement to be paid in local improvement bonds which the Contractor shall take at their face value, same to bear interest at the rate of five (5%) per cent per annum, according to the Statute in such case made and provided.

"I AM HAPPIEST WOMAN IN STATE"

Mrs. Marzahn Gains Twenty-Three Pounds After Taking Tanlac.

"I am the happiest woman in the state of Illinois, and it is all because Tanlac has completely overcome my troubles and added just twenty-three pounds to my weight," said Mrs. E. Marzahn, who lives at Hanna City, Ill., R. F. D. No. 1, while in Sutliff & Case's Drug store in Peoria the other day.

"I suffered a complete breakdown in health about fourteen years ago," continued Mrs. Marzahn, "and for the past five years, I was in such a weak, run down condition that I could hardly walk across the floor, and it has been at least five years since I could pick up a broom and do a little sweeping. I was so nervous that the least little noise would upset me, and such a thing as a night's sleep was out of the question. My stomach was in terrible condition, too, and everything I ate disagreed with me. I would often have raging headaches that would almost drive me frantic with pain, and would get so dizzy at times I could hardly stand on my feet. My husband spent hundreds of dollars for medicine and at different times I was under special treatment, but instead of getting any relief from my suffering I just kept on going down hill all the time. In fact, I was so blue and despondent that I had just given up all hope of ever finding a medicine or treatment that would do me any good.

"That was the condition I was in when a neighbor of mine came in one day and talked to me about Tanlac, and insisted that I give it a trial. Well, I finally consented, and my husband went out and bought three bottles of Tanlac, and told me to give it a fair trial, and not to think of stopping until I had used all three of these bottles. Now, let me tell you right here that the wonderful improvement that three bottles of Tanlac made in my condition, is simply beyond description. Then, of course, we got more of it, and I continued to take Tanlac and kept on improving until I am now as well and strong as I ever was in my life. Why, everybody in this part of the country who knows me is talking about the great change that has taken place in my condition since I began taking Tanlac. In fact, I am enjoying perfect health in every way, and do all my housework with perfect ease. I can get out and go where I please now, and life is really worth living again. I tell everybody I meet about Tanlac, and as long as I live I will praise it for the good it has done me."

Tanlac is sold in Decatur by Decatur Drug Company, in Blue Mound by W. R. Graham, and in Macon by Smeltz-Hobbs Company.

ASK SOLDIERS IF THEY HAVE WORK

Government Checking Up on Service Men.

All returned soldiers and sailors are being asked by the local state free employment office, 226 East North street, to inform the bureau here, whether they have work or not. This work is being done at the request of the government. As the great bulk of the men have now been discharged and sent home, the war department wants to know how many of them have been successful in getting work.

It has sent to the employment bureau here, a card on every Decatur man, who has been discharged from the service. The bureau is asked to make a report on all of them. Dan Dinneen, in charge of the bureau believes the only way this can be accomplished in a thorough way, is for every discharged fighter to simply inform the office here, either by dropping in or calling on the phone. Or if the discharged man is working somewhere away from here or cannot reach the local bureau, his relatives here can furnish the desired information.

For some unknown reason, there seemed to be a rush at the employment office Wednesday, business being even heavier than on Monday and Tuesday, which are usually the heavy days. Quite a few jobs were filled during the day, most of these being calls for common laborers, although there were calls for other kinds of workers too. In the Decatur office the supply and demand are running about even.

UNUSUAL CHARGE AGAINST HUSBAND

Wife Says He Came Into House in "Boisterous Manner."

Charles Cundiff will have to answer a charge of "blustering into the house in a loud and boisterous manner," a rather unusual charge. The case will be in Justice H. C. Noble's court on Tuesday afternoon and he is under $100 bond to be there at that time.

The warrant was sworn out by his wife. The two have been having trouble for some time. Some time ago he was arrested on complaint of his wife and paid a fine. A week or two ago, she paid a fine for disorderly conduct.

Tuesday night, she says a man came to see about getting one of her rooms. He was sitting in the room with her. Her husband came rushing in she says and jerked off his coat. Mrs. Cundiff didn't wait any longer but called the police and had him taken to police headquarters. There she insisted on having a warrant, although the police and Justice Noble told her he had violated no law by coming into the house that way.

As she insisted on a warrant, however, Justice Noble had her dictate one to him and in it, she charges him in the manner and form mentioned above. Wednesday morning, she called up the court and insisted that the warrant be withdrawn. She was told that it couldn't be done and the case would have to come to trial Thursday.

SEVERAL ROOMS ARE SUGGESTED

Miss Daggett Investigating for Use of Kindergarten.

Since the article was printed referring to the fact that a new room must be secured for the Daggett kindergarten, several suggestions have been made regarding rooms which might be secured. Miss Daggett has been investigating these suggestions, but so far no definite arrangements have been made for the room.

CENSUS FIGURES TO BE FOR JAN. 1

A. E. Edens Has No Word on Other Appointments.

The 1920 census will be as of Jan. 1, 1920. In other census years the date has varied. A. E. Edens, supervisor of the census for this district has had no further word as to particulars in taking the census. He has not been advised as to county supervisors and believes there will be none. He is not informed as to the manner of appointing the 250 enumerators, but believes there will be civil service examinations in each of the counties to select these men.

Mr. Edens is expecting further information in regard to his work in a few days.

PARTIES GIVEN FOR MISS PATTERSON

A number of parties are being given for Miss Maud Patterson, whose wedding to Everett Joynt will take place Sept. 4. Mrs. Claude Fritz entertained for her with a miscellaneous shower Wednesday evening.

Wednesday afternoon, Mrs. Bernard Patterson and Mrs. Olga Funk entertained with a towel shower in the Funk home, 341 West William street. The guests spent the afternoon hemming dust clothes for Miss Patterson. The hostesses served refreshments.

STATE FAIR CLEARED $24,000

Annual Exhibit Better Than Former Years.

Springfield, Aug. 28.—The Illinois state fair of 1919 was a financial success as well as a triumph as an exposition.

Despite predictions to the effect that it would fail to pay out, the fair will show a substantial earning—somewhere in the neighborhood of $24,000.

A reasonably correct estimate of receipts and expenditures has been made. It shows an income of $114,446.75, and the payment of premiums amounting to $90,490.35. The final figures will be within a thousand dollars of these estimates.

SOME WERE PESSIMISTIC.

Pessimistic predictions with reference to the success of the fair from a financial standpoint were based largely on the period selected for the holding of the exposition this year. Practically everyone felt that the date was too early to insure a full attendance.

Officials of the fair shared in the belief that the date fixed was too early. They realized that it would be impossible to secure complete displays of agricultural products prior to the opening and they feared the effect on the attendance. However, it was necessary for them to accept the date and they made the best of the situation.

BETTER EXHIBITS.

Because extra efforts were made to overcome the handicap of an unseasonable date, the exhibits were much better than had been anticipated. To make up for what could not be secured from the fields inducements were given to encourage other displays. Amusements, too, were featured. Among the results attained was the greatest horse show ever given in America.

Merchant Financial Wreck

"I am a financial wreck because of the expense of doctors and medicine for my wife. She has been a chronic sufferer for 10 years. Some pronounced it gall stones, some gastritis, and some intestinal inflammation. I happened to read an ad of Mayr's Wonderful Remedy and from the first dose my wife has steadily improved." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Girls! Have Radiant Hair Soft and Fluffy

Lustrous Hair—Soft, Fluffy and Abundant—Easily Attained by Wonderful Beautifier That Thousands Praise

Women Delighted—All Surprised, by Quick Action of Parisian Sage

Nowadays all up-to-date women want radiant hair, so soft, fluffy and abundant that it fascinates and compels admiration.

It's really a simple matter for any woman to merit this praise since beautiful hair is only a matter of care.

When your hair becomes faded, dry, streaked and scraggly, when it falls out badly and new hair cannot grow, the roots must be vitalized and properly nourished. To do this quickly, safely and at little expense, there is nothing so effective as Parisian Sage (liquid form) which you can get at any drug or toilet counter.

It's guaranteed to abolish dandruff, stop scalp itch and falling hair, and promote a new growth or money refunded. It's in great demand by women of taste and culture because it makes the hair so soft, lustrous, easy to arrange attractively, and appear much heavier than it really is.

A massage with Parisian Sage is a real delight—easy to use, not sticky or greasy, and delicately perfumed—an antiseptic liquid free from dangerous ingredients and guaranteed not to color the hair or scalp. If you want good looking hair and plenty of it, use Parisian Sage. Don't delay—begin tonight—a little attention now insures beautiful hair for years to come.

MOULTRIE FARMERS PICNIC FRIDAY

Sullivan, Aug. 28.—The program for the Farmer's picnic which is to be held in Wyman park tomorrow was announced Wednesday. Indications are that a large crowd will attend. The committees have been working to secure members from the Farm Bureau. A large number of new members have joined and the membership now totals 614.

Advisor Allen L. Higgins was sure Wednesday that several more will be secured. The program for the picnic follows:

10:00 a. m. Polo Game—Verne Winnings—Wildcats versus Clifton Miller's Tigers.

Elimination contests — Horseshoe pitching.

10:45 a. m. Tug of War—Marrowbone township versus Jonathan Creek township.

11:00 a. m. Ball Game—Irish Brigade of Dora township, captained by Frank P. Smith versus East Nelson Boosters, captained by O. G. Buxton.

12:30—Dinner.

2:00 p. m.—Call to order by president.

Selection by band.

Address of welcome by Mayor A. D. Miller.

Duet by J. B. Martin and Brice Martin.

The Farm Bureau—By Farm Advisor Allen L. Higgins.

Solo—Frank McDonald of Arthur.

Reading—Stuart Sears.

Song—Bethany quartet.

Address—J. C. Sailor of Cisene Park assistant secretary Illinois Agricultural Association.

FALSE ALARM.

The fire whistle was blown at 1:40 Wednesday afternoon giving the alarm for the third ward and it was reported that the home of a man named Stubblefield was on fire but no fire was discovered.

MARRIAGE LICENSE.

Leo Dougherty, 21, Arthur.
Miss Fionie Stigall, 18, Arthur.

Col. Lewis Grunert and wife and their daughter, Miss Myrtle, who have been for the past ten days visiting Mr. and Mrs. Joseph B. Titus have returned to their home in Peoria. They left here Wednesday in their automobile.

FREIGHT OFF TRACK.

The Wabash local freight which is due here going north about 2:30 and which did not leave here until about 6 o'clock got off of the track a little over a mile north of this city Wednesday evening and was delayed until about eight fifteen before they were able to proceed on their run. They had picked up a car of coal off of the Chicago & Eastern Illinois "Y" and placed in their trains and when about a mile north of town this car struck a broken rail and went off the track and cut most of the ties in two for about three hundred feet before the train was stopped. It broke the train in two when it went off the track.

Registration of freshman took place at Sullivan township high school Wednesday, there were forty-four young women registered and thirty-five young men. This is not as many as registered for the freshman class last year. It is more than was expected to register this year owing to some of the country schools teaching a higher grade this year.

Mr. and Mrs. William H. Boyce are looking for their son, Fred, home on a furlough. He has just arrived in this country and has notified them that he will be home on a furlough but had not arrived up to Wednesday night and no word had been received from him up to that time as to just when he would arrive home.

Told Stories To Children

Miss Pearl Leonard.

Miss Leonard told stories to 112 children at The Pines Wednesday afternoon.

Jack Dempsey Comes to Lincoln Square Theater Monday.

Theater goers and sporting devotees should receive pleasure in the announcement that on Monday, September 1st, the Lincoln Square Theater will clear off the stage to make room for Jack Dempsey, the world's heavyweight fighting champion, who comes here for matinee and evening engagement accompanied by his youthful manager, Jack Kearns, and a supporting cast of distinguished artists, consisting of seven supreme vaudeville acts. Having temporarily run out of first-class ring opponents, Mr. Dempsey is forced to the glare of the calcium to display his fistic science and allow admirers to see just how he became entitled to the name of "Jack the Giant Killer." His brief theatrical is under the direction of Linick, Jacoby and Lichtenstein of Chicago who overcame all bids for his services with an amount somewhere around the fifteen thousand mark for each and every week's appearance. The Lincoln Square Management having guaranteed them $5,000 for the one day.

Mr. Dempsey has a colorful and handsomely mounted act, very reminiscent of his recent event in Toledo, speed and action are the chief ingredients of his portion of the entertainment with his sparring partners glad to find their way to the dressing room, even though it isn't a full fledged fight. Coupled with Dempsey's athletic divertisement, the management gives promise of the best vaudeville road show ever assembled to round out an evening of De Luxe entertainment.—Adv.

KILLING FROST JUST 36 YEARS AGO

Clinton, Aug. 28.—With the chilly night air bringing out blankets and heavier bed clothing the memories of old time residents yesterday went back to the Aug. 28, several decades ago, when the corn of this entire middle west was caught and the crop destroyed by frost.

J. F. Miller, 627 North Center street, recalls the date as Aug. 28, 1883, when the corn was killed by this heavy frost. Many feared that there would be a light frost last night or this morning.

Campers at Weldon Springs have found that the nights this week have been pleasant for sleeping if plenty of covers were available.

Erwin L. Wilson and Miss Ruby I. Jameson, both residents of Harp township were married here yesterday by Rev. A. M. Wells. They were attended by Mrs. B. M. Swartz, a sister of the groom and Charles Jameison, a brother of the bride. The young couple will go to housekeeping on a farm in Harp township.

RETURN FROM EASTERN TRIP

Mrs. Martin Doyle and daughter, Miss Josie, 615 North Jackson avenue, have returned from a month's visit with relatives in the east. While there they stopped in Danbury, Conn., Newburgh, N. Y., and other points.

MOTOR TO DETROIT.

Mr. and Mrs. W. G. Looming of Detroit, who have been visiting with Mr. and Mrs. Will G. Hill, North Center street, left today for their home. They were accompanied by Mrs. Hull and her daughter, Miss Doris, who will remain in Detroit for about two months. The trip will be made by automobile. Mrs. Hull and Mrs. Loomis are sisters.

IN FLYING RACE.

Lieut. Wallace S. Young, son of Mrs. W. S. Young of Farmer City, is among the aviators contending in the big International Aerial Derby between Mineola, Long Island and Toronto, Canada, this week. He has been stationed at Selfridge field, Michigan, and recently distinguished himself by driving a collapsed balloon away from the parachute which was carrying a passenger to the ground. The incident took place in Grand Rapids, Mich., on July Fourth.

BIRTHS.

Mr. and Mrs. Merle Voyles of Detroit, Mich., are the parents of a son, Eugene Richard, born August 22. The mother was Miss Edna Matthews of this city.

Mr. and Mrs. D. D. Williams of Chicago are the parents of a baby, born Tuesday. Mrs. Williams was formerly Miss Novan Black, daughter of Mr. and Mrs. C. L. Black of 818 West Jefferson street.

HUSBAND SEEKS DIVORCE.

A bill of divorce was filed yesterday afternoon by Wilbur Holmick against Artie Michel Helmick. Statutory charges are named in the bill.

TRANSFERRED FROM WASHINGTON.

Misses Mildred and Frances Palmer, daughters of the late Frank M. Palmer, of this city who have been working in government offices in Washington, D. C., have been transferred to the middlewest because of the closing up of the department in which they worked.

SPANISH FRUITS TO FIGHT H. C. L.

New York, Aug. 28.—As a part of the efforts of the United States to re-establish its trade relations with foreign countries, it was learned today that shipments of Spanish fruits and onions, amounting to at least thirty-five cargoes are to be brought to this country during the next six months on steamships owned and operated by the United States shipping board.

These shipments, it was stated, are backed by Spanish bankers with the idea of reopening trade and stabilizing exchange conditions.

MARKET PRICES MAKE BIG DROP

Top for Hogs $18; Corn at $1.75 a Bushel.

Hi-Cost stepped on a banana skin Thursday with the result that prices on many of the basic articles of living slipped downward at the fastest rate that has been shown for many a day.

Hogs went down to $18 for tops in Decatur with the usual run of hogs bringing about $17 to $17.50. This is $3.50 a hundred under recent high prices.

CORN DOWN TO $1.75.

Corn dropped five cents a bushel in sympathy with the drop in Chicago from four to six cents for the cash article Thursday morning and the general run of offering in Decatur is now not above $1.75 although one dealer is willing to pay more.

Hides also are very much lower than they were a few weeks ago with a tendency on the part of tanners to go very easy on buying for future needs.

Decatur dealers are offering the following prices for grain:

No. 2 wheat	$2.07@$...

CORN AGAIN FORCED LOWER

Chicago, Aug. 28.—A growing conviction that the agitation against the high cost of living is achieving results was reflected today on the board of trade in lower prices for grains and provisions.

Weakness of live hog prices which showed another decline was also a contributing factor in the early trading Corn opened from ⅝ to 2¼ cents lower, the December delivery leading in the decline. Fairly general liquidation carried prices fractionally lower, where a tendency to steady was observed. Opening prices were September $1.77½ to 1.78, and December $1.38½ to 1.39⅝.

Lack of support was later manifest in the corn market and liquidating trades continued. The December and May deliveries dropped to new low record prices for the season. The nearby month also declined and prices for the cash article sagged. Under the weight of lower hog and provision prices the general bearishness increased, though support cropped out occasionally on the extreme low points. Corn closed weak, 2¾ to 3⅝c net lower, all deliveries being near the low points for the day. Prices at the finish were: September $1.75⅝ to $1.76, and December $1.36⅞ to $1.37⅝.

Oats moved downward with corn though the decline was within narrower limits. Liquidating sales and pressure from local traders were evident, though there was moderate buying of September on the break and elevator interest increasing its holding. Opening oats prices were ⅝ to ⅞c lower, with September at 70⅞ to 70⅝c and December 73⅝ to 73⅝c. In the early hours the market sagged somewhat below the opening figures.

Provisions fell off sharply at the start. September pork declined $2 on the first sale. Lard was down 25 cents to 60 cents and ribs declined 35 to 57 cents. Lower prices for live hogs was the principal factor in the decline in provisions. Trade was slow.

Liquidation continued in provisions and the market suffered a drastic decline, a decrease of $1.00 to $1.50 over night in live hog prices being the moving cause.

September pork sold at decline of $2.75 a barrel, lard fell off $1.15 to $1.62 a hundredweight and short ribs $2 to $2.17 a hundred pounds. Support was lacking throughout the session. The close was weak and near to the low for the day. Final figures showed pork at a decline of $2.50; lard from 85 cents to $1.32 lower and ribs $1.12 to $1.85 lower.

VIRGIL N. HOSTETLER DIES IN SULLIVAN

One of the Most Brilliant Men Produced by Decatur —In Ill Health Many Years.

Virgil N. Hostetler, formerly editor and owner of the Decatur Herald and one of the most brilliant men ever produced by Decatur, died in the Masonic home in Sullivan at 10.30 o'clock Thursday morning.

Mr. Hostetler had been in exceedingly poor health for the last six or seven years. For the last two weeks his condition had been critical and ten days ago W. J. Hostetler, his brother, was summoned to Sullivan. He rallied but showed no considerable improvement and the end was expected at any hour. Thursday morning word came that he would live but a few hours at most and W. J. Hostetler again hurried to Sullivan.

BODY TO DECATUR

The body will be brought to Decatur and funeral arrangements announced later.

After Mr. Hostetler left the newspaper field he engaged in several business enterprises with varying success. Once after leaving newspaper work he returned under the name of "Mike Kelly" writing for The Review a series of baseball letters that were the sensation of the year and were unsurpassed by a baseball writer.

ILL IN CEDAR FALLS.

Back in 1913 little hope was expressed for Mr Hostetler's recovery from an illness while in Cedar Falls Ia. In January of that year he suffered an attack of the grip. He grew steadily worse. Worry over business affairs developed an acute nervous trouble. He went to Cedar Falls in 1898 and was considered a live, wideawake man in commercial lines.

He went to the Masonic home in Sullivan in August 1915. His case was complicated with nervousness rheumatism and other ailments.

BOYHOOD AND COLLEGE.

Virgil N. Hostetler was born Sept 7 1857, in Sullivan, Ind., and came to Decatur when he was two years old. He was the son of Dr. Joseph A. W. Hostetler and Carrie Newland Hostetler of Bedford, Ind. The father was one of the surgeons of the One Hundred and Sixteenth Illinois volunteers of which regiment Dr. Ira N. Barnes was chief surgeon, and he served with his regiment from the time of his enlistment throughout the war. After the war the father went to California and never returned, dying at Napa several years later.

EARLY TO WORK.

The mother and the two young sons were left largely upon their own resources. Virgil being the older of the two boys, early put his shoulder to the wheel and helped in every way possible to support the family. He carried papers and did such other work as came to hand and along with this managed to attend school regularly. It is said that as a boy he was undersized and spindling. He used to say in after years that as a boy he was compelled to work too hard, to do work that was beyond his strength.

REMARKABLE AS A BOY.

He passed through the grades and the high school, graduating in 1875. He edited the High school paper, a tiny leaflet, a few copies of which are still in existance. During the latter of these public school years he came to be looked upon as a most remarkable youngster, remarkable alike for intelligence and hustle. He grew up in the atmosphere of a newspaper office. After he was through school he worked about the Republican office, then at the acme of its prosperity. He learned to set type and became an expert printer, and incidentally he learned a good many other things about running a daily newspaper. In those days the composing room was not far removed from the editorial room and the intimacy between the editorial department and the business department was still close. This was his apprenticeship as a newspaper man.

REMARKABLE CORNELL RECORD

Virgil Hostetler entered Cornell university in 1876 or at least he graduated in 1880. He must have gone there without money or at any rate with altogether insufficient funds to pay his way through college. But if moneyless he possessed a variety of talents which carried him through the university with the most brilliant record of any man of his time. He worked his way through college, but his hard work did not prevent his entering into every phase of college activity, or interfere with his scholastic work.

He set type on the college newspaper and this was a source of certain and reasonably liberal income. He won a conspicuous place in athletics as is evident from the fact that he was a member of the varsity crew and of his class crew. He was a member of the university glee club and is said to have possessed a beautiful voice which few who knew him in after years ever suspected. While doing these things he graduated at the head of his class.

NAME LEFT BEHIND.

The year that Virgil Hostetler left Cornell, six young men from Decatur entered that university, largely through the influence of Mr Hostetler. In this group were Wilson Bering, Cyrus Randolph, Harry Ehrman Bering Burrows and Horace Knapp. Wilson Bering says that when he entered the university he found that Virgil Hostetler had left behind him there a most brilliant record. He had graduated at the head of his class and his name was upon the tongues of professors and students. Professor Hewitt, who taught German, said:

"I believe that man Hostetler from your town is the smartest man ever enrolled in this institution." The professor of history said he was the best posted man he ever had in his class and that he had a marvelous memory for historical facts and dates. Professor Corson, who taught Anglo Saxon, pronounced him a man of most remarkable ability.

VIRGIL N. HOSTETLER.

This picture was taken in 1893 and is the picture that Decatur residents will remember best of Mr Hostetler.

REASON FOR WONDER.

As a student Mr. Hostetler was equally brilliant in languages, history, mathematics and science. In those days not much stress was laid in the study of modern language but much on the reading and literature. He read German with perfect ease. He spoke German fluently and French fairly well. With these rich and varied accomplishments, with his ability in athletics and his talent in music, and with all this the fact that he was working his way through college, plugging at the printers' case, it is no wonder he left his impress on Cornell, that he was the marvel of students and professors alike.

When Virgil Hostetler came home from college in 1880 it was most natural that he should get into the newspaper game. His qualifications for newspaper work were well nigh ideal. He had a practical apprenticeship on the Decatur Republican, on the high school paper, and on the college paper.

STARTS MORNING HERALD

The Saturday Herald had been established by C. N. Walls of Tuscola in 1879 and had passed into the hands of Col J. H. Rowell and W. H. Addis and back into the hands of Mr. Walls when Mr Hostetler came home from college.

Mr. Hostetler and Mr. Ely, a college friend from the east took a lease on the plant and began the publication of the Morning Herald. Mr. Ely remained but a short time. Frank H. Hall, who had been a fireman on the Wabash came into the partnership and the firm was Hostetler and Hall. After operating the leased plant for a time Hostetler and Hall bought the Herald plant and it is said paid out on it in a year.

NEW ERA.

The beginning of the Decatur Herald was the advent of a new newspaper era in Decatur. The paper was a success from the start. Mr. Hall did not know anything about the newspaper business but Mr. Hostetler knew everything about it. And Mr. Hall had business ability. The two young partners put into it energy, enterprise, initiative and ability.

In the next ten years there were four daily newspapers published in Decatur. The Republican, The Review, The Morning Herald and The Bulletin. In 1889 came the Despatch, a morning Republican paper.

The Despatch lasted but a few months. The Morning Herald took over the plant consolidating the two newspapers under the hyphenated title of the Herald-Despatch, issuing stock to the original stockholders of the Despatch in payment for their Despatch stock.

YEARS OF DEPRESSION.

With the consolidation of the two papers Frank H Hall left the partnership and V. N. Hostetler became the sole owner. Mr. Hall went to Wisconsin and later to Chicago where he has been very successful in the job printing business. For the next ten years Mr. Hostetler conducted the Herald-Despatch. This decade from 1890 to 1900, included the period of greatest depression ever known in Decatur and also the period of slowest growth. This depression affected the newspapers as acutely as any other business. The newspaper situation was also yearly becoming more complex and more difficult.

QUITS NEWSPAPER.

In 1899 the most important newspaper deal ever consummated in Decatur was executed. The owners of the Republican bought the Herald-Despatch. The Republican passed out of existence. Virgil N. Hostetler passed out of the newspaper field after twenty years of active service. The Herald-Despatch again became The Morning Herald. The last issue of the Herald-Despatch was Aug. 25, 1899, and the last issue of the Daily Republican Aug 26, 1899. The first issue of the Decatur Herald was Aug. 28, 1899.

By this deal passed from the newspaper field one of the most brilliant and versatile newspaper men Decatur has ever known. He knew the mechanical the editorial and the business departments of a newspaper with equal thoroughness. He could write brilliantly as few reporters could do gather news, solicit advertising or subscriptions, more effectively than any hired advertising or circulation man, set type, make up the forms and run the presses.

ONE BROTHER.

William J. Hostetler, of Decatur, a brother is the only remaining close relative of Virgil N. Hostetler. Herschel and Geneva Knapp of Chicago, who have often visited in Decatur, are cousins.

JOHN W. HAWVER.

John W. Hawver, well known retired farmer, died Wednesday night in the family residence, 1505 North Church street. He would have been eighty-eight years old September 11. His death was caused by a complication of diseases. He had been in failing health for a long time, but his condition did not become serious until Monday.

Mr. Hawver was born in Ohio Sept. 11, 1831. The family moved to Indiana when he was a boy. He came to Illinois in 1869 and settled near Milmine, where he lived for several years, moving from there to Oreana. He moved from that town to Decatur in 1909 and has made this city his home ever since.

Mr. Hawver is survived by three children, Paul Hawver, Harold Hawver and Miss Helen Luelle Hawver, all of Decatur. He also leaves a brother, Isaac Hawver of Milmine, and two sisters, Mrs. J. W. Brandonburg of Bement and Mrs. Sarah Kuns of Los Angeles, Cal. Mr. Hawver was a member of Grace Methodist church and always took an active and prominent part in the work of the church. He was also a member of the I. O. O. F. lodge.

MRS. CLARINDA F. VIGLES.

Mrs. Clarinda F. Vigles, widow of John T. Vigles, died at 5:45 o'clock Wednesday afternoon at the family residence, 032 South Webster street. She was seventy-six years old. Her death was caused by paralysis, with which she was stricken three weeks ago.

Mrs. Vigles had lived at La Place at Lake City before moving to Decatur and she was well known in those places. She was a member of the Methodist church at La Place. Though she had not transferred her membership, she had been a regular attendant at church services in Decatur. She had lived here for ten years, coming here from Lake City in 1909.

Mrs. Vigles is survived by eight children, all of whom were present when she died. The children are Mrs. Frank Dickson of La Place; Mrs. John Whitmer of Van Wert, O.; Mrs. Eikenberry of Flora, Ind.; William Vigles of New York city; Frank Vigles of Cumberland, Md.; Loren Vigles and Misses Maude and Laura Vigles, all of Decatur. The body was removed to the Monson & Wilcox undertaking establishment and prepared for burial.

The funeral will be held at 9:30 o'clock Friday morning in the family residence. The services will be conducted by Rev. J. L. McGiffin. The interment will be in the cemetery at La Place.

CHARLES C. BURKE.

Charles C. Burke of Indianapolis, brother of M. S. Burke, proprietor of the Ocean to Ocean garage, 332 East Main street, died at 10 o'clock Thursday morning in a hospital at Hot Springs, Ark. He was thirty-six years old and had been in poor health for some time.

Mr. Burke formerly lived in Decatur. He is survived by his mother, Mrs. Tobias Burke, 1381 North Main street, and the following brothers and sisters: M. S. Burke, Miss Margaret Burke and Mrs. M. A. Willard of Decatur, William Burke of Ivesdale, Tom Burke, of Castor, Wyo., and T. W. Burke of Seattle, Wash. The body will arrive in Decatur at 11 o'clock Friday morning and will be taken to Moran Chapel to await funeral arrangements.

MAJOR F. L. HAYS' FUNERAL FRIDAY

The funeral of Major F. L. Hays will be held at 4 o'clock Friday afternoon in the family residence, 532 East Eldorado street. The body will be removed from the Monson & Wilcox chapel to the residence Friday morning. Dunham post, 141, G. A. R. will have charge of the services at the house. The members of the post will meet at their hall at 3 o'clock to attend the funeral. The interement will be in Greenwood cemetery, with military honors.

A meeting of the board of directors of the Decatur club was held Wednesday night and it was decided that the club rooms should be closed Friday until after the funeral of Major F. L. Hays, that no lunch will be served that day, and the directors and many members of the club will attend the services.

HOUSE PASSES BILL TO HONOR PERSHING

Washington, Aug. 28.—In recognition of General John J. Pershing's services in the war, the house today passed a bill authorizing the president to confer on him the permanent rank of general. The measure now goes to the senate.

DENZ IS VICTOR OVER DAUGHERTY

Dope was upset in the city tennis tournament Wednesday afternoon when Denz defeated Doherty by a brilliant comoback in the second and third sets of their match. "Short" won the first set easily, 6-0, although Denz had a fifteen point handicap each game.

In the second set, however, Denz seemed an entirely different player, and the sudden change seemed to bewilder his opponent for a time. The second set went to Denz, 6-4, and the third also went to him after some hard playing, 8-6.

Hinds deefated Dr. R. Z. Sanders, 6-1, 4-6, 9-7. Moeller and Birchfield played two sets of their match, each winning a set, 6-3. They expected to finish some time Thursday. Quite a number of matches are scheduled for Thursday afternoon.

WILL GIVE CHICKEN FRY THIS EVENING

Is Under Auspices of Zohak Grotto Near Twin Bridges.

It is expected that a large number of the members of Zohak Grotto and their friends with their families will attend the chicken fry which the organization is giving tonight at Boiling Springs. The fry is open to the public.

The fry will start at 5 o'clock and will run until 9 o'clock.

With gravel roads all the way it is expected that a large number of motorists will drive out to the spot which is just a quarter of a mile north of the twin bridges.

Automobile service will be established from Eldorado Temple from 3 until 5 o'clock to take out members who have no cars.

Weddings

KELLER-MOORE.

Miss Edith M. Keller and Grover C. Moore, both of Hickory Point township, were married at 10 o'clock Thursday morning at the Grace Methodist parsonage, Rev. N. M. Rigg officiating. They were accompanied by the bride's mother. The couple left for a wedding trip to Mr. Moore's old home in Green county. On their return they will make their home on a farm in Hickory Point township.

The bride is the daughter of Julius Koller. The groom is a farmer and the son of Adlasson Moore.

DILLS-TINDER.

Miss Grace Dills, daughter of O. R. Dills, 121 East Main street, and Lynn F. Tinder were married in Oklahoma City, August 22, according to word received in Decatur. They will make their home in Oklahoma City.

OLD SETTLERS IN ANNUAL PICNIC

Old Settlers of Macon county were getting together again in Fairview park Thursday to talk over the old times. The day was ideal, neither too hot nor too cold and the prospects were several hundred would be out during the day.

By noon perhaps 150 of them had gathered and they were gradually coming in on street cars, on foot and in vehicle. It was hard to tell just how many were there for so many of them came with family groups and brought their dinners, which were spread on tables in all corners of the park. Two or three large tables in the pavilion were also occupied by those bringing dinner along with scores of others simply partook of the ice cream being served free to all old settlers in one corner of the pavilion.

As they were rather late in arriving, Rev. A. P. Cobb, president of the association, postponed part of the morning program till afternoon but during the morning the crowd enjoyed itself in the pavilion with the singing of old time hymns, and telling stories of old times. Especially good talks were made by Reel Spencer, who has lived in the county for eighty years or more, and by Rev. C. A. Hackel of Antioch church, another old resident of the county. Mr. Spencer spoke of the characteristics of the pioneers of the county and paid a high tribute to the women of the early days.

Personal

Mrs. Will W. Siegman has been called to Rushville by a telegram announcing the death of her sister-in-law, Mrs. Frank Young.

Mr. and Mrs. D. S. Anderson and children, Dwight and Mary Elizabeth, attended the Quinn-Barclay family reunion at Miller park in Bloomington, Aug. 26. Seventy-five people attended the reunion, many of them coming from a distance. Charles Barclay was elected president for the coming year.

John Ott who for many years has been at the head of the wash goods department of the Linn & Scruggs store is expected to return to duty by the first of September. He has been out on account of illness since early in April and was obliged to undergo a serious surgical operation.

S. W. Ehrman, who has been spending several weeks in the city, left Thursday for Minneapolis. He will stop in Chicago for a few days' visit with his sister, Mrs. Cloyd.

MANY EXPECTED AT CITY CLUB PICNIC

Perfect Weather For Outing at "The Pines" This Afternoon.

Indications Thursday morning were that there would be a large crowd at the City Club picnic. The perfect picnic weather was expected to attract a large crowd, especially in view of the facts that Thursday was the last mid-summer half holiday and the ease with which the picnic grounds could be reached.

"The Pines" never appeared to better advantage than on Thursday and the spacious lawns and wide porches provided picnic facilities which could not be excelled.

MOLDERS ASKING FOR HIGHER WAGES

Out at Three Places on Demand for Increase.

Moulders employed at the Mueller factory, the McLaughlin Machine shop and the Faries factory, went out on strike Thursday morning in a demand for a nine hour day with pay of 66 2-3 cents an hour or $6 a day. The strike involves about fifty-five men, about twenty of those being at the Mueller plant, about twenty-two or twenty-three at McLaughlin's and about twelve at Faries.

The Union Iron Works signed up the new scale with the men and the men continued at work there. The Decatur Malleable Iron works, although not a closed shop, has been paying this scale for some time to all the union molders employed by them. The molders at the Wagner Castings Co., are said to have been out for some time.

"It certainly isn't asking too much," said Rudolph Derlitzki, one of the officials of the union Thursday. "We are the lowest paid craft in Decatur. Men of building trades are drawing from about 75 cents an hour up to $1, Wabash men are getting from 68 cents an hour up with an offer of four cents more on the hour. Even common laborers here are drawing fifty cents an hour and we molders that have to put in four years apprenticeship to learn the trade, have only been getting from about 45 cents an hour up. With everything going up like this, we have to have more money to live.

"We first asked for an eight hour day, but later because of conditions, we modified that to a nine-hour day. In most places around here and especially Chicago, the molders get that much pay or more and only have an eight hour day. In Indiana, no molder works over eight hours a day. Yet in some of the factories here where the men are on strike, the firm even refused to meet a committee of their own men or to talk things over."

TWENTY VETERANS TALK OLD TIMES

Survivors of 41st Illinois Hold Reunion.

Survivors of the Forty-First Regiment, Illinois Volunteers of the Civil war, were again having the old fights over, at their thirty-fifth annual reunion being held Thursday in the G. A. R. hall on North Main street. Twenty members were present, some of them with their wives and daughters. They were not worrying about business meetings, program, speeches and the like but just meeting informally.

They sat around during the morning and talked, went out at noon to a local cafe for a dinner, and returned in the afternoon to talk, some more. About the only business to come up was election of officers and it was presumed all the old ones would be re-elected.

139 SURVIVORS.

An attendance of twenty was considered rather good. A recent list from the war department shows only 159 survivors of the the regiment a year ago. The officers of the regiment have a record of twenty members that died during the year so it is sure that not over 139 members survive and they are scattered to all parts of the United States. Regrets were received by mail from six members. Those present Thursday were as follows:

Lieut. Charles G. Young, Co G, Taylorville.

Lieut. John Churchill, Co. I, Mechanicsburg.

N. C. Rowely, Co. C, Clinton.

Matthew Cline, Co. C, Clinton.

E. T. Loe, Co. I, Minneapolis.

Alexander Crouch, Co. E, Lawrenceville.

W. F. Vaughn, Co. B, Decatur.

J. A. Butt, Co. B, Decatur.

H. M. Striever, Co. A, Argenta.

Joe Ray, Co. A, Oreann.

Alfred Spates, Co. G, Taylorville.

Isaac Yantis, Co. H, Findlay.

Jonathan Greider, Co. I, Argenta.

H. M. Robinson, Co. H, Leonard, Okla.

Capt. Joe Withington, Co. D, Mattoon.

John E. Gandy, Co. K, Quincy.

Lieut. James A. Wilson, Co. E, Decatur.

J. E. Cullom, Co. D, Flat Rock, Ill.

Ben Clark, Co. E, Blue Mound.

Remove Debris.

Commissioner Van Praag Wednesday notified A. F. Gebhart that the debris on the sidewalk on Packard street and in the alley between Water and Main streets must be removed by Saturday. The alley has been cluttered up ever since the fire last winter.

Asks Divorce.

Mabel A. Zimmerly has filed a bill for divorce from Claude K. Zimerly. They were married Aug. 19, 1908, and lived together till Sept. 1, 1915. She charges him with desertion and asks for the custody of their seven-year old daughter, Iris. She says he earns $125 a month, so she wants him to pay alimony.

MEETINGS.

The Sewing Circle of St. Peter's A. M. E. church will meet at 2:30 Friday afternoon in the home of Miss Elizabeth Blue, 640 East Clay street.

Order of Eastern Star, Decatur Chapter 131. Stated meeting at 8 o'clock Thursday night in the Masonic Temple for initiation.

DETROIT BANDITS GET $15,000

Detroit, Aug. 28.—Six armed bandits today held up the assistant cashier in a branch of the American State bank and took from the vault $3,000 in cash and Liberty bonds estimated by the police to total about $12,000.

WANT CITY TO HAUL MATERIAL

Residents of Powers Lane Want to Fill Lots.

Dr. J. Foster Waltz was before the city council Thursday morning and called attention to the inadequate drainage of his and other properties on Powers lane, these properties being greatly damaged by storm water. These property owners have spent hundreds of dollars filling in the old ravine, only to have their work count for nothing. They had everything in good shape, as they thought, when last June the wind blew, the rains fell and the floods came and beat upon that 300 or 400 loads of brick bats, stones, etc., and the filling melted away like that much sugar.

WANT STREET MATERIAL.

Dr. Waltz said he lost part of his lot every time there was a heavy rain. Discouraged, but not disheartened, he and others had consulted File & Alexander, who have the contracts for paving Prairie avenue and Taylor avenue, concerning the chance to get more ballast from the waste materials from those streets consisting of brick bats, old curbing etc., and the contractors said the plan was a good one and they were willing to supply the material.

Dr. Waltz said that this waste material would only be a part of the improvement; that it was planned to cover the whole with concrete and try and get a job that will last; but it will cost about $500 and he asked that the city save the property owners the expense of transporting the waste materials. If the city will do the hauling the property owners will do the rest. The matter was referred to Commissioner Van Praag and Engineer Warren.

WANT ALLEY PAVED.

Property owners presented a petition for paving the alley between Wood and Main streets from Taylor avenue west, either with brick or concrete. The petition was referred to the board of local improvements.

The city engineer recommended that the petition for paving, water mains, sewers and sidewalks throughout Highlawns addition be granted and his report was approved. The petition for paving, sewers and water mains was referred to the board of local improvements and the petition for sidewalks was referred to the engineer to establish grades, and the corporation counsel was instructed to prepare the necessary ordinance.

The petition for a sidewalk on the west side of North Second street from Eldorado street north to the C. I. & W. was granted.

FILL RESERVOIR.

Commissioner Van Praag called attention to the condition of the old city reservoir, which he declared was in bad condition because of people dumping all kinds of refuse there. Many old trees had been hauled there and he was afraid that if they were burned the heat would be so intense that it would endanger neighboring houses. He suggested that the city fill the reservoir with dirt and eventually use it for park purposes. The council will visit the place and decide what to do about it.

MISS HELEN BISHOP SECURED TO TEACH

Will Take Place of Miss Huffington At High School.

Miss Helen Bishop has been engaged to take the place of Miss Grace Huffington as head of the domestic science department in the high school. Miss Bishop is a Decatur girl and has taught in the high school before. She is regarded as a valuable find for the school and securing her for Miss Huffington's place so late in the season is most fortunate indeed.

All places in the high school faculty have at last been filled. It is promising too much to say that they will all stay filled till the school opens since other school systems are still hunting for teachers.

ADD 85 MEMBERS TO FARM BUREAU

Whitmore and Pleasant View Townships Canvassed.

The township teams of Whitmore and Pleasant View, who went into action Wednesday on the membership campaign of the Macon county farm bureau, turned in a list of eighty-five new members for the county organization and 115 for the state association Wednesday night.

This brings the total membership of the bureau up to 932 with eleven more townships to be canvassed and those already worked to be gone over again.

TWO TEAMS TIE

Teams headed by Lee Ragsdale and John E. Cooper in Whitmore and that headed by C. R. Allen in Pleasant View tied for the lead during the day with twenty-seven members for both organizations credited to each team.

Teams were working in Decatur and Friends Creek townships Thursday and were getting good results.

A surprisingly large number of men have been found to be away from home and another quick canvass of all townships will be made after the first trip has been completed in each.

Lawn Social.

The Temple Builders of St. Peter's A. M. E. church will give a lawn social at the home of Mrs. Anna Bonner, 408 South Franklin street, Friday evening, Aug. 29. Sandwiches, watermelon, ice cream, cake and pop will be served. The young women are working earnestly for the building fund of the church and they ask everyone to come out and help them. They will start serving at 5 o'clock.

BAND CONCERT.

The Goodman band will give a concert in Central Park Thursday evening, beginning at 8 o'clock. One of the attractions of the program will be a vocal solo by Clarence Deakins.

RIVER LOW.

The Sangamon river below the dam, is now slow and sluggish, and is back at old trick of giving off unusual and offensive fragrance. The stream was in pretty fair shape most of the summer, due to several good rains that kept it at a fairly high stage and washed out.

NO ROTARY MEETING.

There will be no meeting of the Rotary club next Monday. The picnic held last week took the place of the regular meeting and there will be no more until Sept. 15.

BACK TO WORK.

The workers of the Williams Sealing Corporation factory have returned to work after the suspension following the walkout last week. Apparently differences were patched up and the normal routine has been taken up again with the force at work.

TO ATTEND FUNERAL.

The members of the Decatur club, who will attend the funeral of Maj. Hays are asked to meet in the Decatur club rooms at 3:30 Friday afternoon.

APPEALS CASE

The case of the city versus Frank Post, in which Post was recently found guilty by a jury, has been appealed to the circuit court. The charge against him is disregarding the signals or orders of a traffic officer.

CATALOGS OUT.

The new catalogs of the Millikin Conservatory of Music are now being distributed. The catalogs are handsome ones, and are illustrated with pictures of the university grounds and buildings. They give the usual information about the Conservatory courses and teachers.

ASKS DIVORCE.

Christina Reed has filed a bill for divorce from Austin Reed. They were married Sept. 2, 1908 and lived together until Sept. 15, 1908. She charges him with desertion.

BUSINESS WITH COMET.

News from the Sick

Mrs. Claude Price was again operated on in Rochester, Minn., Wednesday, the right side of her throat being ligated. She will return home and go back in about three months for the main operation.

Mrs. Turner, wife of C. C. Turner, 2037 North Church street, who was operated on at the Decatur and Macon county hospital last April, will go to the hospital this week for a second operation. She has not gained her strength since the first operation.

START WORK ON PRAIRIE PAVING

Date of Contract Advertising Not Up Until Saturday.

File & Alexander won't own up that they are superstitious, but just the same, Mr. Alexander appeared before the members of the city council Thursday morning and declared that he intended to start work that afternoon on his contract for paving Prairie from Water street west to Pine. He will plow up enough of the old brick pavement to indicate to the rankest stranger that the work on the contract is actually under way.

Mr. Alexander said that although the ten days advertising of the awarding of the contract will not expire until Saturday, and that during which time any property owner has the privilege of stepping in and taking the contract on a bid ten per cent lower, he would rather accept that chance than wait the full time.

When he first asked if it would be all right for him to go ahead he was under the impression that this was the last day of the advertising limit, and he declared that it would be saving a day and a half, for he just simply would not start a big contract on Friday. Corporation Counsel Monroe told him the time wouldn't be up till Saturday, but he said he was willing to take the chance and was told he could go ahead.

COL. HARRY CREA ON VISIT HERE

Expects to Be Assigned Overseas Duty in Short Time.

Colonel Harry Crea arrived from Washington Wednesday evening for a short visit with his mother. His wife and children will arrive Sunday for a visit of a few weeks. Colonel Crea probably will return to Washington Monday. He expects to be assigned to overseas duty immediately on his return.

QUESTIONNAIRE ON HOUSING SENT OUT

A. of C. Seeks Information From Employers.

BASIS FOR COMPANY

Asks How Many Employes Want to Buy.

The Association of Commerce is sending out a letter to employers in Decatur asking for information regarding the need of a housing campaign in Decatur as they see from their knowledge of the wishes of their employes.

THE LETTER.

The letter which has been sent out is as follows:

"Considerable comment has been given recently through the public press to the alleged necessity for a house building campaign in Decatur to provide for what is said to be an emergency resulting from lack of housing facilities.

"The Association of Commerce has been giving almost constant attention to this subject for a number of months past. The only information we have at the present time regarding the shortage of houses in Decatur indicates:

A. OF C. INFORMATION.

"(1) That there is a sufficient number of houses for sale to meet all requirements of prospective purchasers.

"(2) That demand for houses comes from those who are unable or unwilling to purchase or build, but want houses or apartments to rent.

"(3) That no satisfactory method has been devised in any city of which we are aware for a co-operative building program to supply houses for rental purposes.

ASKS INFORMATION.

"We desirde the most accurate information possible to enable us to act intelligently upon the proposal to organize a co-operative building company. May we have assistance to this extent? Will you cause an inquiry to be made among your employees covering the information called for on the enclosed blank, and send the results to us within the next five days if possible?

"This information will give us a basis upon which we can act with some degree of certainty. We thank you for your co-operation to this extent."

QUESTIONS ASKED.

Enclosed with the letter is a series of questions as follows:

(1) Total number of your employes, male or female, who are heads of families.

(2) How many of these employees now own their homes?

(3) How many live in rented quarters?

(4) How many of the renters desire to buy or build their own homes?

(5) How many of the would-be owners can make an initial cash payment of $300 or more?

(6) How many others do you believe could be persuaded to purchase homes and make initial payment of 10%?

(7) Do you favor a building campaign, if found to be necessary and would you be willing to assist in financing it?

CAUGHT SPECKLED TROUT IN CANADA

Tuscola, Aug. 28.—Walter Cross, who is traveling with the Sparks Brothers circus as their trainmaster, was in Tuscola for a few hours Wednesday. He states that during the summer the company has been touring eastern Canada having spent a good part of the time in the province of Quebec. The show is now working toward the south and is dated for points in Mississippi next week.

Mr. Cross left the show at Terre Haute and came here for a short visit with his mother and expected to rejoin the circus at Effingham on Thursday. He says their trip through Canada has been a great experience for almost every one of the company and they enjoyed it immensely. Big speckled trout are so plentiful in the Canadian streams that Walt had great sport catching them after his work was done, when they happened to visit a town located on a stream. He had not seen a day during the whole summer in the country when the temperature was as high as it was in Tuscola on Wednesday, which was rather a cool day.

TURNER'S BROTHER HOME.

J. F. Turner received word on Wednesday that his brother, Col. Fred H. Turner, chief of staff to Major Gen. Howze, of the Third division, had arrived from overseas on Sunday and is now at Camp Merritt, N. J., having come over on the "Prince Frederick Wilhelm."

Born Wednesday, Aug. 27, to Mr and Mrs Herbert Bailey, a son.
